A WOMAN'S TORTURE

No ingenuity of barbarism ever devised an agony so intense, so persistent, so long-enduring, so nerve-racking as that which is suffered day after day by the woman whose distinctly feminine organism is deranged or diseased. There are three trying times in every woman's life: 1st—when girlhood blossoms into womanhood; 2d—when motherhood is achieved; 3d—the change.

Dr. Pierce's Favorite Prescription was devised to make these three periods safe and painless by restoring to vigorous health the organs involved. It soothes, heals, nourishes. It gives nature just the help it needs. It is the only ready-prepared medicine devised by a regularly graduated physician and skilled specialist in the diseases of women.

You know what you are getting with this Prescription of Doctor Pierce's, because it is extracted from native roots by using glycerine—no alcohol or narcotics. The ingredients published on wrapper and free to the world.

For all diseases peculiar to women, Dr. Pierce's Favorite Prescription is a powerful restorative. For nearly fifty years it has banished from the lives of tens of thousands of women the pain, worry, misery and distress caused by irregularities and diseases of a feminine character. Buy it now, in liquid or tablet form from your druggist or send 50 cents or \$1.00 to Doctor Pierce's Invalids' Hotel, Buffalo, N. Y., for tablets. Write for free book on woman's diseases.

If you will pay the mailing charges, Doctor Pierce will send you his cloth-bound book of over 1,000 pages, newly revised with color plates and illustrations. Send three dimes or stamps to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., and enclose this notice.
