LIVE STOCK REVIEW.

Cattle.

Portland, May 16.—(Special)—Yesterday's cattle market was rather a slow and sticky affair with about 1000 head in the pens. Demand from killers was limited due to the heavy purchases made last week. There was

a very good demand from out of town butchers which put some strength in the market and took quite a string at steady prices, although the bulk of the sales were on a lower basis relatively ranging from \$10.00 to \$10.50; medium grades of beef were the best sellers at steady prices, while prime steers sold mostly 25 cents lower. Common beef, that is dairy bred stuff suffered a loss of 50 cents. Several loads of prime heavy steers brought \$10.85 which was the top, with good light steers from \$10.25 to \$10.50; medium grade sold around \$9.75 to \$10.00; with common steers down to \$8.00. There were only a few cows here, the best getting \$9.25 to \$9.50; with common stuff selling down to \$5.00. Best light veal calves sold steady at \$10.00; a bunch of baby beef heifers brought \$10.00. The general trend of the cattle market was slow, the pep it has shown the last few months being absent.

Hogs.

Hog prices ranged mostly 10 to 15 cents higher, the top was \$16.00 for three loads with another load at \$15.85, the bulk of sales were made at \$15.65 to \$15.75 with a few light

Wrestling Match Coming Soon

Company M. 3rd Oregon will contribute her share towards entertainment at the Gunderson-Christensen match tomorrow night. Soldier Harry Plant has a detachment of boxers which will be used in the preliminaries. Mr. Plant's recommendation is sufficient and the fans may expect a treat for he is a clever boxer himself and is very capable of selecting the "mit welders."

The show at the Arcade will begin at 7:30 with a splendid picture featuring H. B. Warner in "The Vagabond Prince" followed by a two reel comedy. Then the preliminaries. The main bout will start at 9 o'clock.

The wrestling match will be a clean sportsmanlike contest.

Present indications point to a good attendance of ladies as many saw the Berg-O'Neill match and are as enthusiastic as their gentleman friends.

Fred Gunderson who meets Harold Christensen in a finish wrestling match in the Arcade tomorrow night was born in Norway 30 years ago and came to America when 11 years old. His name is Baker and his father was an Englishman. He took his mother's name after coming to this country where she married Mr. Gunderson. He bears the distinction of being the tallest wrestler in the heavyweight division today, being six feet two inches in height. He has a splendid record as a wrestler, having won handicap matches from some of the best heavyweight wrestlers in the United States, among them Carkeek and McLeod.

Three years ago he wrestled twenty-two matches in Bellingham, the home town, winning every match.

Gunderson is a tall lean looking individual and does not resemble the

average wrestler in appearance but he is very rugged and a man of remarkable strength. He is a finished wrestler, very aggressive and has been described by some sporting writers as "fast as chain lightning."

This is his "come back" match after being out of the game for several months, he has trained faithfully, is in good condition and says he can win.

Christensen, his opponent, has wrestled twice already this month, is in the pink of condition, is a wrestler of the modern school and can write a book on etiquette of the mat. He is twenty-eight years old, born in Copenhagen, Denmark, and came to America a year and a half ago.

He has never tasted liquor. Has never used tobacco in any way. This match will be a hummer.

Proper Food for Weak Stomachs.

The proper food for one may be all wrong for another. Every one should adopt a diet suited to his age and occupation. Those who have weak stomachs need to be especially careful and should eat slowly and masticate their food thoroughly. It is also important that they keep their bowels regular. When they become constipated or when they feel dull and stupid after eating, they should take Chamberlain's Tablets to strengthen the stomach and move the bowels. They are easy to take and pleasant in effect.—Adv.
