

Who's Your Druggist?

?

The modern drug store handles a large variety of goods in connection with drugs. The stock is apt to be the most complete and most worthy in every way in the store where the stock of drugs is most ample and best.

The careful pharmacist who buys drugs with the interests of his customers in view, will buy his sundries the same way. You can depend upon his having what you want and you can be sure of utmost value for the price.

We want your trade on everything that druggists sell, and ask for it only on the basis of reliable quality and service.

Reliability is our motto and we adhere to it in every department and detail of our business.

Let us be your Druggists.

CITY NEWS IN BRIEF

Collection of News Paragraphs and Advertisements.

Clean Up Day at Christian Church.

The Christian church had a lawn cleaning-see Tuesday from five to seven. Quite a number of the young men met and assisted in fixing up the church property. The ladies of the church provided supper and a most enjoyable and profitable time was spent.

Joseph Flag Raising.

Reverend G. L. Clark returned last evening from Joseph where he was in attendance at the Joseph flag-raising Tuesday. He reports that the event was a very successful one. The pole was erected close to the public square. The school children marching in the parade were a splendid sight. They had been divided off into companies with a senior boy over each and marched in a body to the scene of the raising. The program planned could not be given at the raising because of a heavy snow storm; but not to be deterred by the storm the patriots marched to the M. E. church where the program proceeded.

Music was furnished by the band and high school glee club. The flag which was a beauty was presented by the W. C. T. U. ladies and accepted by the mayor of the city.

Mr. Clark worked in interest of the Army Y. M. C. A. work while in that city and found the Joseph people not only willing to do their part but anxious to do so. They were also planning on starting the Red Cross work and are making generous donations to the sufferers in the war zones.

Enterprise held their patriotic meeting Sunday evening regardless of the fact that the speakers from this city failed to make their appearance which was due to the train service.

We cannot help but take our hats off to Wallawa county for their share of young men furnished to uphold the honor of the flag. It is estimated that 1 per cent of the entire population has enlisted. Enterprise having sent her 70 youths to the front now has plans to raise \$400.00 for the Army Y. M. C. A.

The addresses of the flag-raising were delivered by the Rev. Sibley of Joseph and Rev. G. L. Clark of this city.

As fire hose is drawn from a recently patented wall cabinet it opens a valve that turns on the water.

Chemical spray are of little service in controlling wild carrot.

PLENTY CARS TO HANDLE THIS YEAR'S FRUIT CROP

SO SAYS J. W. McClymonds OF THE PACIFIC FRUIT EXPRESS—CALIFORNIA FRUIT DECREASES.

Pacific Coast fruit growers will do their share in providing for the nation's food supply, and there should be plenty of cars to handle this year's crop.

This is the cheering message sent out by J. W. McClymonds, vice-president and general manager of the Pacific Fruit Express, and one of the best posted men in the west on horticultural conditions.

Mr. McClymonds has just made a survey of the situation with the view of securing all the equipment necessary to meet the needs of the growers.

The Pacific Fruit Express Company has 12,800 of its own cars, and is rushing the construction of 2700 additional cars which will be available shortly. In addition to this number the P. F. E. people are leasing 2500 Armour cars to meet the emergency.

McClymonds estimates that the California orange crop will be ten per cent more than last year, and the melon crop in the Imperial Valley will run from 25 to 30 per cent heavier. Turlock melons will be about the same as last season.

Deciduous tree fruit will be about the same as last season, but California grapes will be much heavier.

Twenty-seven thousand cars of citrus fruit have been handled so far with the indications pointing to all carriers loading about 50,000 cars.

The P. F. E. is getting ready to handle the canteloupe crop of the Imperial Valley which will start about May 25th. The acreage has been increased from 4000 to 12,000. The P. F. E. expect to handle 6000 cars. The Turlock canteloupes will follow.

The deciduous fruit movement will mingle with the Southern California canteloupe crop. The green fruit crop will probably call for 15,000 cars.

Representative Prepares For War

Washington, May 17.—(United Press)—Representative Gardner of Massachusetts, a prominent preparedness advocate, was the first congressman to offer his service to the United States as a soldier.

His resignation was announced today.

Representative Gardner is a member of the officers' reserve corps.

I love to see other people gardening while I'm strolling.

Sheep sorrel is not often eaten by live stock owing to its sour taste, but it is well not to pasture horses or sheep on sorrel as the weed is somewhat poisonous to these animals.
