Suffered Great Pain!

Letter Tells of Long Looked-for Prescription.

Dear Mr. Editor—I am making a personal appeal to your readers who are bothered with kidney and bladder trouble and rheumatism, to give up the use of harsh salts, or alcoholic kidney medicines and in their place take a short treatment of "Anurie" and be convinced of its wonderful virtues as I was. I suffered great pain, had a great deal of irritation, water became foul. I tried everything advised but with no results. I sent for a box of "Anurie Tablets" and soon discovered that they brought relief. I have used them since, and now the water is natural, my health good, and appetite splendid. Some of the doctors pronounced my trouble enlarged prostate. Now I have no more trouble and I most assuredly feel that this latest discovery of Dr. Pierce's is the best remedy for bladder and kidney troubles that I know of. If I can induce anyone to give it a trial, I feel that he will thank me for calling attention to this great boon that relieves this seemingly worst of all troubles that human flesh can fall heir to.

(Signed) H. H. FLEISHER.

NOTE: Up to this time, "Anurie" has not been on sale to the public, but by the persuasion of many patients and the increased demand for this wonderful healing tablet, Doctor Pierce has finally decided to put it into the drug stores of this country within immediate reach, or send 10 cents for large trial package. Simply ask for Doctor Pierce's Anurie Tablets. There can be no imitation. Every package of "Anurie" is sure to be Dr. Pierce's. You will find the signature on the package just as you do on Dr. Pierce's Favorite Prescription, the ever-famous friend to ailing women, and Dr. Pierce's Golden Medical Discovery, proven by years to be the greatest general tonic and reconstructer for any one. At any rate don't give up hope of being cured of your malady until just a few doses of "Anurie" have proven that it will make you feel like a different person.

EDITOR—Please insert this letter in some conspicuous place in your paper.
