## City Manager Files His Report

Curtis Lindsey Is New Fire Truck Driver—Contracts Prepared Between City and O.W. R. & N.—Beaver Creek Reservoir Visited.

The city manager's report for the week ending May 16 follows:

May 16, 1917.

Hon. Commission of the City of La Grande:

I herewith submit my report for the week ending May 16, 1917.

Fire chief's report for the week shows no fires. Fire chief has employed a new truck driver, Curtis Lindsey, who commenced work Monday the 14th.

Water Superintendent reports expenditure for the week of \$63.00, which included lowering freeze-ups, cleaning ditch from septic tank to Gekler place, inspection of tin sewer, making taps and repairing leaks. As street superintendent he, expended \$13 for labor, to be paid for by the county. This was for work on river to keep water from cutting through park.

Chief of police reports number of arrests to be two, traffic violations one, begging one; number convicted two; amount of fines ten (\$10.00) dollars. Amount received from pound eleven dollars and seventy-five cents (\$11.75).

The report of treasurer is as follows:

Receipts	
Water rents	\$ 898.95
Interest on Assessments	315.06
Installments	532.91
Taxes (County Treasurer)	5,075.96
Recorder's turnover	208.40
Licenses	7.00
Improvement Bond Sale	1,458.94
<b>Total Receipts</b>	<b>\$8,497.22</b>

Disbursements	
Interest on Imp. Bonds	\$ 150.66
Road Warrants Paid	1,555.41
Dist. No. 27 Warrants paid	926.27
General Warrants	85.31
Park Warrant	50.00
<b>Total Disbursements</b>	<b>\$2,771.65</b>

As per instructions of commission have prepared contract between City of La Grande and the Oregon-Washington Railroad and Navigation Co. Same has been placed in the hands of Superintendent Bollons for consideration by him.

Water Superintendent L. M. Hoyt and myself visited Beaver Creek Reservoir. Went up over wagon road and came back over pipe line. Found road impassable from Jordan's slope on to reservoir. Many places snow was found to be from two to four feet deep. A few slides and washouts have occurred, making it impossible to take teams to reservoir, or for that matter, it would be equally impossible to use saddle or pack horses. We were able to take saddle horses as far as telephone box, but were compelled to make the rest of the distance, about eight miles, on foot. Did not find Beaver Creek very high. The mountains around reservoir are covered with a heavy snowfall, giving every indication of a long water season. The reservoir is covered with broken ice. Gave official orders to Care-taker Deal and his wife to remove from present location and take up residence above the dam.

Have consolidated office of water and street superintendent, giving Mr. Hoyt the duties of both offices.

Yours respectfully,  
F. B. CURREY,  
General Manager.

### A WOMAN'S BACK.

The Advice of This La Grande Woman Is of Certain Value.

Many a woman's back has many aches and pains. Oftimes 'tis the kidneys' fault. That's why Doan's Kidney Pills are so effective.

Many La Grande women know this. Read what one has to say about it: Mrs. Geo. Bunch, 1706 N. Spruce St., La Grande, says: "Two years ago I was nearly bed-fast with kidney trouble. For several weeks, my back and hips were so painful that I could hardly keep going. When I got down, it was almost impossible for me to straighten up, as my back was so weak and sore. My kidneys were very irregular in action and the kidney secretions caused me a great deal of misery. One box of Doan's Kidney Pills made me feel like a different person. Since then, I have taken them when I have noticed any trouble from my kidneys and they have never failed to do me good."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Bunch had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.
