may fail, your hopes be destroyed, your bank stranded and yet you be a success. How? Because you are making a life, not a living. Too much stress has been placed upon the commercial value of an education. It is all true, but what are commercial values, compared with spiritual values? Many a man has found in making a great success from the commercial value, he has lost those values that count for eternity.

"Speak, History! who are life's victors?"

Unroll thy long annals and say: Are they those whom the world calls the victors?

Who won the success of a day? The martyrs or Nero? The Spartans who fell as Thermopylae's trust or the Persians and Xerxes.

His judges or Socrates? Pilate or Christ?

This is a most important day for you. This week you will receive a diploma which is the outer badge of inner culture. What will make your life a success? The set of the soul, what will make your life a failure? The set of the soul.

One ship goes East, another goes West

By the self-same wind that blows, 'Tis the set of the sail and not the gale

That points the way you go. Like the winds of the sea, are the ways of fate

As we journey along through life 'Tis the set of the soul that determines the goal

And not the storm and strife.
