WORTH SELLING IS WORTH TELLING ADVERTISE!!!

Don't wait until you have to advertise your business for sale to learn of the benefits to be derived from advertising

Advertising is the Luther Burbank of modern business. It makes money grow where only moss grew before. It plants the seed of prosperity in the untilled land of opportunity, and it garners a harvest of wealth for the far-sighted and enterprising.

Let us all get busy and tell the valley people what La Grande merchants have to sell. Phone The Observer, Main 37 and have someone call for your advertisement.
