## "BETTER BE SAFE THAN SORRY"

Case Tractors represent the highest development of tractors. They are the pioneer tractors of America. They are backed by three-quarters of a century of successful experience in manufacturing farm machinery. They are a proved success—not an experiment.

Case Tractors are fully tested before they leave the factory. They must develop power in excess of their rating. They must qualify for the hard work demanded of them on the farm.

Case Tractors are made in five sizes. Each one carries a guarantee to perform as well, or better, than any other on a given job. There's a size for you.

### SUCCESS OF A NEW REMEDY FOR BACKACHE, KIDNEYS, RHEUMATISM.

Dear Mr. Editor—I suffered for years with backache. Last March I tried "Anuric" and have used this new kidney medicine recently discovered by Dr. Pierce, and it was wonderful the way it eased the pain and gave me relief in such a short time. I have tried several medicines, but "Anuric" is the only one that gave satisfaction. I feel it my duty to recommend "Anuric Tablets" to any one who suffers as I did.

(Signed) MRS. MARGARET E. SNIDER.

NOTE: Folks in town and adjoining counties are delighted with the results they have obtained by using "ANURIC," the newest discovery of Dr. Pierce, who is head of the INVALIDS' HOTEL and SURGICAL INSTITUTE, in Buffalo, N. Y. Those who started the day with a backache, stiff legs, arms and muscles, and an aching head (worn out before the day began because they were in and out of bed half a dozen times at night) are appreciating the perfect rest, comfort and new strength they obtained from Dr. Pierce's Anuric Tablets. To prove that this is a certain uric acid solvent and conquers headache, kidney and bladder diseases and rheumatism, if you've never used the "Anuric," cut this out and send ten cents to Doctor Pierce for a large sample package. This will prove to you that "Anuric" is thirty-seven times more active than lithia in eliminating uric acid—and the most perfect kidney and bladder corrector. If you are a sufferer, go to your best druggist and ask for a 50-cent box of "Anuric." You run no risk for Dr. Pierce's good name stands behind this wonderful new discovery as it has for the past half century for his "Golden Medical Discovery," a general tonic made from roots with pure glycerine which makes the blood pure, his "Favorite Prescription" for weak women and "Pleasant Pellets" for liver ills.

Mr. and Mrs. Bell and son Ernest, Mr. and Mrs. Louis Peck, Mr. and Mrs. Tom Conklin were La Grande visitors Monday of this week.

The Relief Society of the L. D. S. church met last week Thursday in a business and social session. Mrs. E. Rosenbaum of La Grande was present. Dainty refreshments were served.
