WAR CENSUS DAY WILL SOON BE HERE. ON THAT DAY EVERY MALE WHO IS TWENTY-ONE AND NOT PASSED HIS 31ST BIRTHDAY MUST REGISTER. (From the War Census Bureau Adjutant General's office, Portland, Ore.) Portland, Or., June 1.—War Census

day is almost at hand. War Census day is next Tuesday, June 5, and on that day every male resident of Oregon, who has passed his 21st birthday and has not passed his 31st birthday, must register at his regular voting precinct. Once again, let it be emphasized that no man is exempt from registering, no matter how just his claims may be for exemption from military service. Registration and selective conscription, which will be the next step, are entirely different things. All male residents of the designated age, whether citizens or aliens, must be registered. The process of selective conscription will be based on information obtained from the registration cards. The only men of military age who

are not required to register are those already in the military service of the United States,—that is, who are regularly enlisted in the regular army, navy, marine corps, national guard and reserves thereof. Every other man between 21 and 30 years of age, inclusive, must register. There are no exceptions. All who expect to be absent from their home precincts on War Census day, who have not already registered under the procedure of registration of absentees, must do so at once. This is imperative, as their registration cards must be in the hands of the registrar of their home precinct by War Census day. And men who are sick must see to it that a friend gets a registration card for them at once.

Don't Feel Sorry If It Rains. The Sidewalk is Not Being Hurt. It is enjoying its contest with the thousands of hurrying feet that tramp over it each day. The reward will be your admiration of its quality and your confidence in the durability of WHITTALL RUGS. We Positively Guarantee that the Sidewalk Rug Was Taken from Our Regular Stock and is no different than any other Whittall Anglo-Persian that you may buy here anytime. What the Sidewalk Rug does for us—yours will do for you. Whittall Rugs are known the world over for uniformity of both quality and price. They are made in several different grades, which assures you of a Whittall Rug at the price you wish to pay. The Vital Test of Every Rug is its Durability. "Just as good as a Whittall" is a distinction often claimed but seldom merited. Substitutes as a rule lack most if not all those essential qualities which make the original worthy of imitation. Carr Furniture Company. Furnishings for the Home. La Grande Oregon. Convenient Arrangements for those Who Prefer Partial Payments at Regular Intervals. The Sidewalk Test in front of the Arcade Theatre Leaves No Room for Argument.

Never Neglect a Cold.

A chill after bathing, cooling off suddenly after exercise and drafts, give the cold germs a foot-hold that may lead to something worse. Safety requires early treatment. Keep Dr. King's New Discovery on hand. This pleasant balsam remedy allays inflammation, soothes the cough and repairs the tissues. Better be safe than sorry. Break up the cold with Dr. King's New Discovery before it is too late. At your druggist, 50c, \$1.00.—Adv.

N., retired, brought suit today in the supreme court against Marie Dressler, comedienne, her husband, James L. Miss Nielsen alleges she paid \$4,500 for 900 "\$10 shares" of the Ulda Copper company of California, which she declares turned out to be worthless.

Whooping Cough.

In this disease it is important that the cough be kept loose and expectoration easy, which can be done by giving Chamberlain's Cough Remedy. Mrs. P. H. Martin, Peru, Ind., writes, "My two daughters had whooping cough. I gave them Chamberlain's Cough Remedy and it worked like a charm."—Adv.
