STORE CLOSED TUESDAY AT 12 O'CLOCK FOR THE BALANCE OF THE DAY.

The popularity of our up-to-date Shoe Department is increasing daily

There Must be a Good Reason

Surely the values are better than elsewhere—better in style, better in service, and lower in price according to quality. Our buying power through the R. C. U. is unequalled—making it possible for this store to secure better values in every department—and especially in Footwear. It is true that we could buy and sell cheaper grades of shoes—but this store believes in quality first—and the many new customers we are gaining daily, many of whom say they have been buying so-called cheap footwear elsewhere and not receiving satisfaction, only strengthen our belief that it pays us to buy and pays you to buy quality footwear.
