Never Neglect a Cold.

A chill after bathing, cooling off suddenly after exercise and drafts, give the cold germs a foot-hold that may lead to something worse. Safety requires early treatment. Keep Dr. King's New Discovery on hand. This pleasant balsam remedy allays inflammation, soothes the cough and repairs the tissues. Better be safe than sorry. Break up the cold with Dr. King's New Discovery before it is too late. At your druggist, 50c, \$1.00.—Adv.

WASHINGTON BONE-DRY AT MIDNIGHT

Seattle, Wash., June 6.—(United Press)—The last bottle of liquor leg-

ally delivered within the state of Washington will be placed in the hands of its thirsty importer today.

Tonight at midnight Washington's bone-dry prohibition law goes into effect and today the last "shipments" under the permit system are being delivered. As might be expected, express companies are doing record business. Many thousands of the cartons containing two quarts of "bottled sunshine" are being delivered today. With Washington in the bone-dry class, the entire northwest will be extremely arid. Idaho and Oregon have drastic anti-liquor laws which forbid the importation of liquor under any conditions.

Whooping Cough.

In this disease it is important that the cough be kept loose and expectoration easy, which can be done by giving Chamberlain's Cough Remedy. Mrs. P. H. Martin, Peru, Ind., writes, "My two daughters had whooping cough. I gave them Chamberlain's Cough Remedy and it worked like a charm."—Adv.

Germans May Not Travel.

Yokohama, June 6.—(United Press)—Germans in the orient will have to stay right where they are until the war is over. This developed today, when the Java Mail Steamship line—the only neutral company operating steamers in the Pacific—refused to carry subjects of the central powers.

LUMBER TO BE SENT TO AMERICAN LAKE

Tacoma, Wash., June 6.—(United Press)—Orders for the immediate manufacture and delivery of 36,000,000 feet of lumber are in the hands of northwest mills today for the big camp at American Lake where 60,000 men from Idaho, Washington and Oregon will train for service in the trenches. The Northern Pacific is mobilizing 3000 men who will put in switches, spurs and sidings at the big camp. The railroad estimates that it will spend \$250,000 in these improvements. It is estimated that between 5000 and 8000 men will be required to construct the cantonments and army post depots. Immediate construction is planned, so that the camp will be ready when the first 500,000 men are drafted into service. American Lake is the divisional training point for the northwestern states.

This Safely Removes Worms.

Worms are a common disease of children and every mother should know their symptoms. Sallow complexion with dark circles under eyes, irregular bowel movement with stomach hard or swollen, grinding teeth or itching may mean that Kickapoo Worm Killer is needed at once. It is a mild laxative remedy in candy tablet form that children like. Kills and removes the worms and lets the child grow strong and healthy. At druggists, 25c.—Adv.

SURGEON CAN HARDLY FIND HEART OF YOUTH

Portland, Ore., June 6.—(United Press)—The navy surgeon was puzzled. With his carefully adjusted and sensitive instruments he hunted up and down the left side of Lyle Carrow, Salem youth, and back again. But there was no trace of a heart.

"The boy must have a heart. He'd be dead if he didn't," he mused. Then turning to Carrow, he exclaimed, "Here, run around the room a dozen times as fast as you can."

Carrow did, then stopped for another examination. Another search on the left side failed to reveal a trace of a heart, but the doctor noticed a throbbing on the right side under Carrow's arm and here the heart was found.

Carrow's request for a waiver was granted.

'18 CLASS IN FRANCE TO FIGHT BESIDE AMERICANS

BY HENRY WOOD.

(United Press Staff Correspondent.)

With the French Armies, June 6.—France has begun training the class of 1918 consisting of the youngest recruits, by whose side America's army will be fighting next fall, should the war last that long. The new French class will be younger than the men of the American army. They will be but 19, while the youngest Americans will be 21. All France hopes that American intervention will render it unnecessary to ever again call out one of the French classes before the usual military age. The class of 1918 which is now at the instruction camps is probably one of the finest France has produced. It is being especially instructed in bayonet fighting and hand-grenading.

Cholera Morbus.

This is a very painful and dangerous disease. In almost every neighborhood someone has died from it before medicine could be obtained or a physician summoned. The right way is to have a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house so as to be prepared for it. Mrs. Charles Eneyart, Huntington, Ind., writes: "During the summer of 1911 two of my children were taken sick with cholera morbus. I used Chamberlain's Colic and Diarrhoea Remedy and it gave them immediate relief."—Adv.

BRAZIL STANDS FIRMLY BEHIND PRESIDENT

BY H. B. ROBERTSON.

(United Press Staff Correspondent.)

Rio De Janeiro, May 9.—(By Mail)—It is doubtful whether any president of Brazil has been accorded the degree of popular approval that has been manifested toward Wenceslau Braz in the breaking of diplomatic relations and the probabilities of war with Germany. Newspapers print daily lists of telegrams offering support to the government. Flags of Brazil, the United States and the allies are displayed at patriotic meetings. Practically every Brazilian is taking his weekly drill on a rifle range. Mass for early success of the allies is sung in practically every Catholic church in the country.

WELL KNOWN PORTLAND WOMAN SPEAKS

IT'S THE SAME IN ALL OREGON.

Portland, Oregon.—"I send this statement with great pleasure. My daughter owes her life to the use of Dr. Pierce's Favorite Prescription. She was a very delicate girl before using your medicine."

"I have used the 'Prescription' for weakness peculiar to women and found it perfectly wonderful. I have used Dr. Pierce's medicines for over thirty-five years."

"My husband has used the 'Cough Syrup' and thinks it is great."—Mrs. L. A. FOSTER, 1502 E. 8th St., W.

When a girl becomes a woman, when a woman becomes a mother, when a woman passes through the changes of middle life, are the three periods of life when health and strength are most needed to withstand the pain and distress often caused by severe organic disturbances.

At these critical times women are best fortified by the use of Doctor Pierce's Favorite Prescription, an old remedy of proved worth that keeps the entire female system perfectly regulated and in excellent condition.

Mothers, if your daughters are weak, lack ambition, are troubled with headaches, lassitude, and are pale and sickly, Dr. Pierce's Favorite Prescription is just what they need to surely bring the bloom of health to their cheeks and make them strong and healthy. For all diseases peculiar to women, Dr. Pierce's Favorite Prescription is a powerful restorative. During the last 50 years it has banished from the lives of tens of thousands of women the pain, worry, misery and distress caused by irregularities and diseases of a feminine character.
