THE ANNUAL CHAUTAUQUA.

La Grande is proud of its Annual Chautauqua. It has no hesitation in inviting all its friends and neighbors to attend and to enjoy the splendid program which has been arranged. The Chautauqua is an interesting institution. It offers rest and recreation to the weary. Held in a beautiful grove, it suggests the gatherings of the old philosophers and their followers in the classic groves of Greece. If the mountain will not come to Mahomet, we will go to the mountain. So we gather in a shady retreat, and bring the great orators, the great preachers, the great thinkers and publicists to us. We also do not forget that old and young like to hear the best music, to be made to laugh, to be amused, so we bring from far and near the humorists, the musicians, the manikins for the children. The Chautauqua brings country and city together, makes them better acquainted, it is a mixer, a leveler, a great social institution. The country people read more than the city people, the latter are in greater need of the mental stimulus of the Chautauqua. It is to the city people especially that we appeal to go to the Chautauqua and camp, to get a change of scene, a change in mode of life, to make new friends, and to be mentally refreshed by speech, music, fun and good fresh air.

THE SPEED 'EM UP.

The "Speed 'Em Up" is the west's great automobile and motorcycle race meet. It brings racers to La Grande from all over the United States. It presents an interesting spectacle. The races are managed and conducted by La Grande's enterprising young men united as a Motor Club. The public can be assured of several things, that the races will be on the square and highly interesting, that the visitors to the city will be received with La Grande's well-known hospitality, and that everything possible will be done for their entertainment and comfort. Come to the "Speed 'Em Up".

NOW FOR THE RED CROSS DRIVE

The success of the Liberty Bond issue in Oregon is gratifying indeed.

Oregon has not fallen down yet in its contribution to the national welfare. She has sent her young men and now she commences to send her treasure. The young men are her most priceless possession, but without money to equip them it would be sacrificing them needlessly. Men first,

Support The Government!

At this critical period in our history our manufacturers are offering their mills, and our young men are offering their services to the United States Government.

Do your bit by subscribing to the Liberty Loan. This bank can furnish Bonds in denominations of \$50, \$100, \$500 or \$1000. You can pay for bonds in installments.

You're going to like them; we know it; that's the reason we have them here. It's our business to have things our customers like.

We expect a lot of lively dressers among the young men here to wear these snappy clothes, and even some of the older men will look well in the sport models.

But if you don't care for these, you'll find plenty of other good looking clothes here.

then money and resources are what win wars. The next move that Oregon will make and will do so cheerfully is to help the Red Cross war fund. The drive is on. Union County must raise \$18,000. Of this La Grande and surrounding country are expected to give \$15,000. The money may be paid in installments. This is a national canvass. Every town and city is to be visited and solicited. Let everyone be ready with his or her subscription. Let no one grumble and growl when he is approached by members of the committees. They are giving up their time in this noble work at the direct request of the President of the United States. They are doing you an honor when they ask you to take part in a great, big, national, patriotic work: That of seeing that the sick and wounded of our army in France and of the Allies armies who are helping fight our battles are taken care of. Surely we will give freely and cheerfully in this great cause and make the committees feel that we appreciate their own noble and patriotic work. Be ready with your donation; it doesn't need to be all cash; you can pay it in monthly installments. But make up your mind to give now and liberally.

It is the duty of every voter to vote in the school election Monday at the Central Building. Polls open at 2 p. m. and keep open until 7 p. m. Every man and woman over 21 years of age in La Grande may vote. It is important that the voters study the qualifications of the candidates and go to the polling place and vote. Two directors are to be elected. May the best men win.

Mrs. Dora B. Schilke of La Grande returning as Grand Worthy Matron of the Eastern Star. Few, except her intimate friends and the members of the order, know of the untiring work Mrs. Schilke has done for this order the last year. Under her wise direction, it grew and prospered. Her good work is appreciated by every member.

La Grande is getting some good publicity. The trap shooting victory is to be commended. Whenever La Grande goes into anything, it makes a good showing. Right now would be a good time to hold that shoot with Pendleton.

The Turks have partially evacuated Jerusalem. It would be a blessing if this holy city fell in the hands of Christian soldiers.

Some day Uncle Sam will get real mad and shoot a few spies.

EDITORIAL COMMENT.

Through Roads First

There are two highways that fit into the war-preparedness scheme and likewise are of first importance to the true development of the state. They are the Columbia Highway and the Pacific Highway. The Columbia Highway should be completed to Astoria. It should also be completed to Hood River and The Dalles—The Oregonian.

Speaker R. N. Stanfield bought \$25,000 of the Liberty Bonds. This is a very good way to do your bit.
