Earning, Spending and Saving

Making money is a business; spending it a necessity; saving it an art.
 Many people make money; practically every one spends money; but only the thrifty save it.
 Thrift means laying aside the extra dollar that represents youth and vigor to offset the minus dollar that later on will represent old age and decreased vitality.

Police Experience Handy.
 Victoria, B. C., June 16.—(United Press)—Experience gained by Private Harry F. Horton while a member of the Victoria police department came in handy on the French front recently, according to letters reaching here today, describing an action in which the ex-policeman took a hand. Horton was a member of a "mopping-up brigade," the men who follow the first assaulting waves and clear the captured ground of Germans. He found 17 Germans in a dugout. Horton had left his gun behind, but alone and undaunted he charged the 17 Teutons. The first one he knocked unconscious, and two or three others who ran out to meet him he knocked down. The rest then threw up their hands and yelled, "kamerad." The entire 17 were taken prisoners.
 Later Horton was shot through the neck and is now in a hospital. The description of Horton's single-handed charge of 17 Germans was written by Detective James Ellice, formerly of the Vancouver police department, who took part in the same charge as Horton.

Never Neglect a Cold.
 A chill after bathing, cooling off suddenly after exercise and drafts, give the cold germs a foot-hold that may lead to something worse. Safety requires early treatment. Keep Dr. King's New Discovery on hand. This pleasant balsam remedy allays inflammation, soothes the cough and repairs the tissues. Better be safe than sorry. Break up the cold with Dr. King's New Discovery before it is too late. At your druggist, 50c, \$1.00.—Adv.
Today's War Recipe.
 (From Britain's Official Win-the-War Cook-Book)
Boiled Pork—Put the joint of pork into a large steppan and cover it with warm water. Bring this to a boil, remove any scum that rises, and boil for ten minutes. Add an onion and a carrot (cut small), with a dozen peppercorns, and simmer till the meat is done. If the pork is very salty, put it on in cold water instead of hot. Any joint of pork can be cooked in this way.
 (Eat slowly and live longer.)
