Use "Gets-It," Lift Corn Right Off
 Shrivels, Loosens—and It's Gone!
 "Just like taking the lid off—that's how easy you can lift a corn off your toe after it has been treated with the wonderful discovery, "Gets-It." Hunt the wide world over and you'll find nothing so magic, simple and easy as "Gets-It." You folks who
 "O-O-!"
 End Corn and Stop Pain Quickly With "Gets-It!"
 have wrapped your toes in bandages to look like bundles, who have used salves that turned your toes raw and sore, and used plasters that would shift from their place and never "get" the corn, and who have dug and picked at your corns with knives and scissors and perhaps made them bleed—just quit these old and painful ways and try "Gets-It" just once. You put 2 or 3 drops on, and it dries at once. There's nothing to stick. You can put your shoes and stockings right on again. The pain is all gone. Then the corn dies a painless, shriveling death, it loosens from your toe, and off it comes. "Gets-It" is the "biggest selling" corn remedy in the world today. There's none other as good.
 "Gets-It" is sold by druggists everywhere. Use a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

May Not Call Jury.
 Baker, Ore., June 19.—(United Press)—To cut down the county debt and increase the food output of Baker county, a move is on foot here to delay the calling of a jury in the circuit court until next fall. Such action, it is pointed out, would enable the farmers on the jury panel to devote all their time to the cultivation of their crops during the present good weather.
