# RUSSIAN WOMEN WIN THEIR RIGHTS IN THE REVOLUTION

BY WILLIAM G. SHEPHERD (United Press Staff Correspondent) Petrograd, May 1.—(By Mail)—Sitting at an office table in the great duma building, surrounded by hulking soldiers today sat a fascinating bottle-haired girl who might have come from Washington Square, New York. She was eating a red-beet soup, in

which she dipped black bread. I was directed to her with my request for a pass to the Soldiers' and Workmen's Council. When she had finished her soup, she called a soldier, who carried a rifle, and directed him to take me to the proper office for passes. As I left, she was ordering another soldier to remove her soup plate.

many and all the Germans in Russia. And then they'll start all over again, fightin' to get back their 'omes!"

### Cholera Morbus.

This is a very painful and dangerous disease. In almost every neighborhood someone has died from it before medicine could be obtained or a physician summoned. The right way is to have a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house so as to be prepared for it. Mrs. Charles Eneyart, Huntington, Ind., writes: "During the summer of 1911 two of my children were taken sick with cholera morbus. I used Chamberlain's Colic and Diarrhoea Remedy and it gave them immediate relief."—Adv.

The soldier led me to another office and there presented me to a woman who as to appearance might have been Emma Goldman herself. This woman looked at my passports, said something in Russian to another soldier, who led me to another office and got me the paper I required.

It must be remembered that it was two women who had the say as to my admittance to this gathering of the people of Russia. My final experience seemed to me like asking Emma Goldman for a pass to the national dramatic convention.

I have simply cited these instances to show that the women are equals of the men in the New Russia.

Today that equality was even more strikingly illustrated by the celebration of May Day. The workers of Russia, following the long-established custom of all Europeans (which they themselves, in the days of the Czar never dared to observe) remained absent from work and paralyzed Russia into an enforced holiday.

And there were as many women as there were men in the parade. Many marched arm in arm with men comrades, and the voices of hundreds of thousands of women mingled with those of as many men in the chant of the Internationalist Socialists' Union. It's true that women rank with men in the new Russia. It doesn't seem to have occurred to anybody that there might be any question about it.

### Tales Of The Trenches

"This is my third time home with wounds," said a young Irish sergeant through bandages which came near covering his entire head, "but its not going to be the last though they've made a pukka mess of me this time. They've fairly peppered me with shrap. There aren't many of the old crowd left with my battalion now," he said, adding that he had been in the "fun since Mons". "My company got a new draft not long before we attacked and the new boys went over the top like the rest of us older ones. That's the sort of thing that used to surprise us regulars—we've got over it by this time. It's all the one game and the new ones play it like good 'uns. They're up to beating Fritz any time."

### Whooping Cough.

In this disease it is important that the cough be kept loose and expectoration easy, which can be done by giving Chamberlain's Cough Remedy. Mrs. P. H. Martin, Peru, Ind., writes, "My two daughters had whooping cough. I gave them Chamberlain's Cough Remedy and it worked like a charm."—Adv.

### LIVESTOCK REPORT

Portland, June 29.—(Special)—There was practically no change in the market yesterday with a fairly good run the market held good in all lines.

Cattle receipts totaled 140 head; Hog receipts totaled 460 head. Sheep receipts 490 head.

### Never Neglect a Cold.

A chill after bathing, cooling off suddenly after exercise and drafts, give the cold germs a foot-hold that may lead to something worse. Safety requires early treatment. Keep Dr. King's New Discovery on hand. This pleasant balsam remedy allays inflammation, soothes the cough and repairs the tissues. Better be safe than sorry. Break up the cold with Dr. King's New Discovery before it is too late. At your druggist, 50c, \$1.00.—Adv.

Congressman Now Corporal. Detroit, June 29.—(Special)—Edwin Denby, age 47, probably the most distinguished American to enlist in the ranks at the first call to arms, was promoted to the rank of Corporal in the United States Marine Corps today. Mr. Denby was a member of congress from 1904 to 1911, former President of the local Board of Commerce, and a prominent attorney of this city.

Corporal Denby, who is undergoing military training at Port Royal, S. C., headed the list in a competitive examination open to all members of his company. His enlistment as a private in the Marine Corps caused considerable comment when he expressed the belief that he could serve his country best as an enlisted man.

### Sour Stomach.

This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat and none at all for supper, you will more than likely avoid the sour stomach without taking any medicine whatever. When you have sour stomach take one of Chamberlain's Tablets to aid digestion.—Adv.

### Has a Good Opinion of Chamberlain's Tablets.

"Chamberlain's Tablets are a wonder. I never sold anything that beat them," writes F. B. Tressey, Richmond, Ky. When troubled with indigestion or constipation give them a trial.—Adv.

Rastus, an Alameda dorky, joined the church not long ago, professing to have seen a great light. A few weeks later his pastor heard that Rastus had mauled a fellow church member. So he took him to task about it, quoting the verse, "Whosoever smiteth thee on thy right cheek, turn to him the other." "Dat's all right," expostulated Rastus, "but he hit me in de middle—

## Wonderful Company Sings Here Saturday

In offering "The Chimes of Normandie," that prime favorite among the comic operas, to Chautauqua patrons the Ellison-White System has established a new precedent in operatic productions for Chautauquans in the West.

Operatic music has been in high favor in Lyceum and Chautauqua circles for several years. There have been condensations of familiar operas, given with small casts and few accessories, cuttings from operas, giving only particular scenes, and a host of individual and ensemble numbers from that wealthy field of music. Now comes a noteworthy effort to bring to the Chautauqua platform a full and complete production of one of the most popular comic operas ever produced, "The Chimes of Normandie." Not only is the cast large and competent, but the scenic and costume investiture, as well as the special orchestra, are all exceptional.

The Boston Chimes of Normandie Company of singers, direction Ellison-White System, were specially selected and coached for this production by Mr. George V. C. Lord, the Boston art and dramatic critic. Costumes are by Wolff Fordling of Boston, scenery by Martz, noted scenic artist of the Hub. This is a premier musical production of the first rank—as rich in plot and comedy as in melody.
