COMEDY FILM AT ARCADE

"THE PRICE SHE PAID," A GREAT ABSORBING STORY AT ARCADE MONDAY AND TUESDAY.

One of the most absorbing stories ever projected upon the screen is "The Price She Paid," in which the popular Selznick-Pictures star, Clara Kimball Young, will be seen at the Arcade theatre next Monday and Tuesday. This story, by David Graham Phillips, deals with the problems of a young woman who has always lived in luxury, and who finds herself practically penniless. It is not merely a few isolated dramatic incidents, but goes into the details of the life of the heroine, Mildred Gower, and her efforts to achieve independence and save her own self-respect. She marries, for money, and finds herself little more than a slave. With the aid of a former suitor she studies for an operatic career and again meets with many disappointments. At length she learns that there is no royal road to success, and giving up all her habits of ease and luxury, plunges into a Spartan routine, and by sheer determination finally wins. It is discovered that she has not been legally married, as the husband she left had a wife still living, and so she is free to make her life what she chooses. Miss Young has not, in a long time, had a role which affords such opportunity for beautiful costuming, and her charm of personality is revealed as it seldom has been in any of her work for the screen. The director of "The Price She Paid" is Charles Giblyn, a new member of the Selznick forces, who has many successes to his credit.

Liquor Advertising Barred.

Washington, June 30.—(United Press)—Liquor advertising or liquor soliciting by letter, postal card, circular, newspaper or publication of any kind will be barred from the mails by "Act of Congress" after tomorrow when addressed to anyone in dry territory. Anyone "knowingly" sending a liquor ad in violation of this act of congress, whether publisher of a newspaper or his agent or any liquor dealer or his agen, is liable to $1,000 fine and imprisonment for six months. For any subsequent offense a year's imprisonment may be imposed. Newspapers and magazine readers in dry territory are likely to receive their papers "censored" of liquor ads by the liberal use of shears on the part of news dealers. This practice is already in effect in Georgia. Not only states which are completely dry but dry counties, towns and even wards in subdivisions of any state or city otherwise "wet" are closed to liquor advertising or soliciting by mail.
