Notes From Wallowa

Wallowa, Ore., July 3.—(Special)—The Wallowa Sun says: Stephen B. Summers died at the Enterprise hospital Friday of cancer of the stomach. Stephen B. Summers was born in Lafayette County, Missouri, Aug. 27, 1856, being 60 years, 9 months and 25 days old at the time of his death. Funeral services were held in Wallowa Saturday afternoon Rev. Mr. Atkins of the Presbyterian church preaching the funeral services. Interment in the Wallowa cemetery.

T. B. Richardson, who came to Wallowa a little over a week ago from Colfax, Wash., for a visit with the family of his daughter Mr. and Mrs. J. C. Baird, died last Friday morning of stomach trouble. Mr. Richardson was a pioneer of the Palouse country having lived in Whitman county for 40 years or more, being one of the early farmers of Pleasant Valley, near Steptoe Butte. Deceased leaves three children, Mrs. J. C. Baird, Fred F. Richardson of Colfax, and R. E. Richardson of Canada, and two brothers, Wm. and Tom Richardson of Colfax. Mrs. Baird and family have the sympathy of the whole community in her sad bereavement. The remains were shipped to Colfax where the funeral was held Monday afternoon.

The town of Wallowa and tributary country can justly be proud of her citizens when the final count of money in the Red Cross drive was given on Monday evening. Our allotment was \$3000 and the committee raised \$3101.50, \$101.50 more than was asked for. Wallowa never does things by halves. When they start to do anything everybody is a booster. The sum was big for a community our size to raise, but the committee in charge were on the job every minute and the task was not hard at all.

H. B. Haisten, the county coroner, was called to Lostine Monday on a suicide case of Wm. B. Frank, who shot himself while despondent. A jury was empaneled and brought in a verdict that "deceased came to his death by a gun shot wound inflicted by his own hands." Deceased was 67 years of age and was buried in the Lostine cemetery Tuesday.

Are You One of Them?

There are a great many people who would be very much benefited by taking Chamberlain's Tablets for a weak or disordered stomach. Are you one of them? Mrs. M. R. Searl, Baldwinville, N. Y., relates her experience in the use of these tablets: "I had a bad spell with my stomach about six months ago, and was troubled for two or three weeks with gas and severe pains in the pit of my stomach. Our druggist advised me to take Chamberlain's Tablets. I took a bottle home and the first dose relieved me wonderfully, and I kept on taking them until I was cured." These tablets do not relieve pain, but after the pain has been relieved may prevent its recurrence.—Adv.

Pat McArthur Sells Cattle. Portland, July 3.—(Special)—Congressman C. N. McArthur is in Portland attending to the sale of his cattle from his Polk county ranch.

FILM NOTES.

Marguerite Clark's garden in Rye, New York, will not bloom with roses this summer as it did in 1916. The festive potato blossom and the sweet scent of the onion will replace the rose and the violet in the little Famous Players star's affections this year.

Pauline Frederick enjoyed a most unique holiday on May 30th. Instead of lining the curb stones and cheering the veterans of '61 for their eating of fire and smoke, the Famous Players star proceeded to do a little fire eating and smoke swallowing of her own at the Fort Lee studio where the preliminary scenes for her incineration were directed by Robert G. Vignola.

Hugh Ford, the Gothic Famous Players director, picked up a photograph of Julian Eltinge, the feminine impersonator, which showed the latter in all his fulsome curves. Ford, who is about six feet tall and toeters the Parkbanks at 100 pounds, remarked: "When I retire from directing I think I shall take up feminine impersonation stuff. I would make a wonderful New England spinster—particularly if they would let me wear low necked gowns."

William C. DeMille has finished directing the Lasky production in which Louise Huff and Jack Pickford will co-star and has shipped this youthful pair to the Morocco director, William H. Taylor. Mr. Taylor already has under preparation a new production in which Miss Huff and Jack Pickford will co-star immediately following the release of the DeMille picture.

The Famous Players Film Company has completed three productions to be released by Paramount during the month of July. Pauline Frederick, Mae Murray and Lou Tellegen are the respective stars of these productions.

"At First Sight," which will be released on July 2nd is a comedy starring Mae Murray and written by George Middleton, the celebrated playwright and author of a number of successful Paramount pictures. In this production, Sam Hardy, one of the best known comedians on the stage, plays opposite Miss Murray,

Reduce Your Tire Cost--- --BUY-- Goodyear Tires Goodyear tires carry less profit for the dealer than any other line. We sell them because they are the BEST TIRES MADE W. H. BOHNENKAMP CO.

thereby making his first appearance in a Paramount picture. Harry Lee, who has played character roles in numerous Famous Players pictures, is a station agent who fomented considerable trouble during the course of the story.

"The Love That Lives," Pauline Frederick's starring vehicle for release July 9th, was written by Scudder Middleton, a brother of George Middleton, and represents his first contribution to Famous Players-Lasky scenarios. Robert G. Vignola, who has directed a number of Pauline Frederick's most successful productions, is in charge of the picture. The story is entirely different from anything in which Miss Frederick has appeared upon the screen and presents her in the light of a remarkable character actress. The opening scenes show her as a scrub woman working in a big office building.

The third Famous Players production for July in "The Long Trail" starring Lou Tellegen with Mary Fuller in support. It will be released July 23rd, and is a tale of the Canadian lumber camps.

OF INTEREST TO WOMEN

Bright Flowers Worked In. The newest patchwork has a wonderful charm of its own. Quilts, cushions and the like made of it should sell well at one of the many novelty bazaars which will soon be the vogue. You take, say, for a child's coverlet, a square of quilted muslin, white for preference, and apply to it a wreath of flowers or fruit that you have cut out in washing silk or linen. The flowers, fruit and leaves must be of bright colors and cut out deftly with a pair of sharp scissors and basted onto the square of muslin before they are neatly sewn round.

Other Cut-Out Designs. A brown basket design filled with little oranges and lemons and grapes is handsome on a green or purple silk cushion. Cherries with their leaves are charming on pale green linen. Serge and other woolen materials for foundation and appliques may be pressed, of course, into service. Really the quaint and pretty possibilities that lie in the art of the new patchwork are endless. How glad one is that a fresh turn has been given to the dear old handicraft.—New York Evening Telegram.

A Unique Shopping Bag. The bag I have in mind was evolved from materials almost any woman may find in her work basket. Mine was fashioned from a half-yard square of black striped faille, remnants of a gown. After neatly sewing both pieces together I had a perfect square, I then proceeded to run two sets of machine-stitching about half an inch apart, in a perfect circle within one inch of the outer edge. This left my square with four ears, one at

each corner. After running narrow in a Paramout picture. Harry Lee, who has played character roles in numerous Famous Players pictures, is a station agent who fomented considerable trouble during the course of the story.

THE BEST TEST

Is the Test of Time.

Years ago this La Grande resident told of good results from using Doan's Kidney Pills. Now Mrs. S. E. Lyman of 1308 Monroe St., confirms the former statement—says there has been no return of the trouble. Can La Grande people ask for more convincing testimony? Mrs. Lyman says: "I can in all earnestness recommend Doan's Kidney Pills. I have used them on several occasions with the best of results for backaches and kidney trouble. I have never found anything that acts so quickly and surely on the system and regulates the kidney action like Doan's Kidney Pills. I truly believe they are the best of all kidney medicines." (Statement given November 23, 1912.)

On May 26, 1916, Mrs. Lyman said: "My estimation of Doan's Kidney Pills hasn't changed in the least since I gave my recommendation four years ago. The lasting cure I got is proof that they are a reliable medicine." Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lyman has twice publicly recommended. Foster-Milburn Co., Props, Buffalo, N. Y.

Cards For Home Folks.

Washington, July 3.—(Special)—A new card that will soon appear on many houses throughout the United States has been prepared for distribution by the U. S. Marines. It has been designed to replace cards, formerly distributed by that organization, that read: "A man from this house is serving in the United States Marine Corps." The new announcement, printed in white and blue letters on a facsimile of the French tricolor, bears the sim-

ple but more impressive legend: "A man from this house is fighting in France with United States Marines."

You Should Go To It. If you want an "opening" you must "take steps" to discover it. No bear ever squats on his haunches and waits for a cave to come along and find him.

SPORT NEWS.

BARRY BELIEVES RED SOX ARE DUE FOR WORLD'S SERIES

BY H. C. HAMILTON (United Press Staff Correspondent)

New York, July 3.—Jack Barry, manager of the world's champion Red Sox, can't understand why the critics of baseball are picking a niche lower warriors.

The team, he points out, is just as strong as it was last year, when it went through the most gruelling fight of a decade to a world's championship, and easily ran roughshod over the Dodgers to a world's championship. If anything, he believes, the Red Sox must be figured stronger, for they have the added strength of a new pitcher, Bader, for first-class relief work.

The Red Sox have one bad attack of trouble which will have to be ironed out, however, before Barry can be taken seriously. The loss of Bill Carrigan, not as a manager, but as a catcher and a coach, will have to be overcome before the Red Sox will be figured on paper as strong as the White Sox as they now stand.

Catching on the Boston club is atrocious, from a big league standpoint. Neither Cady nor Thomas is a capable receiver for a team of Boston's standing, while Sam Agnew, a really high-class receiver, a hard hitter, and an excellent man at throwing to the bases, is doing bench duty.

Last year, when the world's series drew near Thomas was picked out for some exceptional praise. It was declared for him that he would develop some day into the same steady, consistent catcher as Carrigan. With this strength the hose were figured strong in the catching department.

The loss of Carrigan, however, let Thomas down with a bump. Cady never has shown anything more than an ability to get his hands on the ball when it came near.

The best pitching staff in the world won't deliver the goods when the catchers are unable to handle them right. This is the main reason for the success of pitcher after pitcher who joined the Boston club under the regime of Carrigan.

Spruce lumber is needed to build aeroplanes. The government is buying 5,000,000 feet of lumber from Portland and Willamette Valley mills.
