C., Chicago, Omaha, Denver and Salt Lake. They will also spend a few days in Atlantic City. They will be gone about six weeks. Mr. Roberts will fill a number of Chautauqua dates while in the east. One of his topics is "America's Need for a Man," and the other is a popular lecture.

Predicts Jewish Nation In Palestine

New York, July 5.—(United Press)—A Jewish nation with modern cities, a free government and a population of two million will be established in Palestine after the war, in the opinion of Nathan Strauss, philanthropist. He looks for a marked exodus of Jews from the United States and other countries, back to their fatherland. Religious Jews, he believes, will not hesitate to give up their wealth and property in America and return to Palestine to fulfil the Biblical prophecy. Strauss also expects thousands of Christians to go there. "We will establish a government along whatever lines the allies suggest," declared Strauss. "There is no selfishness about it. The Bible says we will have our own country back and the allies are winning it back. They must decide what is best."

He indicated however, that a republican form of government under a protectorate of the powers would be best. Asked whether the country would be modernized, as Manila has been, he said: "Given half a chance we will make it the paradise of the earth. It will be up-to-date in every particular. The Palestine soil is better than that of California—I'm satisfied of that through my own experiments. The Jewish nation will be self-supporting. I don't think we will establish great industries and compete in the world trade because the country will be more of a religious community than a commercial one. Palestine will support two million people, and it only has 600,000 now. Educationally and religiously it will be the promised land of the whole world."

Against Church Soliciting.

Spokane, Wash., July 5.—(Special)—Spokane has a preacher who is opposed to accepting any contributions for his church unless the donor is a member of the congregation and he is against the soliciting of merchandise to be used as prizes at church fairs.

The Spokane Retail Merchants Bureau has announced its intention of fighting the practice of giving prizes for all sorts of purposes but instead, will have a central committee which will pass upon such requests and then make one donation in cash covering the obligation for all the retailers. Commenting on this plan the Rev. J. S. Hays says:

"This is a move in the right direction, since, according to the teaching of Christ and the Holy Spirit guided apostles (Jno. 16:13, Acts. 1:4, Gal. 1:12) the Church of Christ is not, and never was, authorized to seek, or even accept, a contribution from those who were not members of the church."

"I think I fully appreciate, as an ex-merchant, the appreciate that is being made by the professed followers of

Christ to make merchandise of you, as well as others, "Whose judgment now of a long time lingereth not, and their damnation slumbereth not." (2d Pet. 2:3).

"Trusting your organization succeeds in delivering the death blow to this unscriptural practice, which keeps "Sectarianism" alive and puts a burden upon the unsuspecting customer who, in the end, must pay the bill."
