The Filipino Working Girl.
At Bokod a Filipino girl with two years training can earn twenty-five cents a day weaving pillow covers, table-runners or dress material. The food she eats costs five cents a day. She not only earns money for herself and family in addition to taking a complete academic course, but one-half the proceeds from her labor, turned into the school fund, have already provided the school with a fine phonograph, a good collection of records, and the instruments for a ten-

piece stringed orchestra, which turns out music that would compare well with the best that graduates from a New England finishing school could do.

The girls of Bokod make their own dresses. That doesn't mean that they go down to a store, pick out three kinds of cloth, the right kind of thread, a paper pattern, and a package of sewing machine needles and then sew the thing together until the dressmaker can come and really make something out of the materials so enthusiastically misused. They weave the materials themselves and make it into dresses and in addition send dress materials and finished dresses to other schools where industrial work is more advanced.—Maynard Owen Williams, in The Christian Herald.

Are You One of Them?
There are a great many people who would be very much benefited by taking Chamberlain's Tablets for a weak or disordered stomach. Are you one of them? Mrs. M. R. Searl, Baldwinville, N. Y., relates her experience in the use of these tablets: "I had a bad spell with my stomach about six months ago, and was troubled for two or three weeks with gas and severe pains in the pit of my stomach. Our druggist advised me to take Chamberlain's Tablets. I took a bottle home and the first dose relieved me wonderfully, and I kept on taking them until I was cured." These tablets do not relieve pain, but after the pain has been relieved may prevent its recurrence.—Adv.

Paris Goes Wild.
Paris, July 6.—(Special)—Paris went wild the fourth with enthusiasm in acclaiming its gratitude to America. Its millions cheered themselves hoarse as a battalion of Pershing's veterans swung along in the parade and their eagerness to get at the foe appearing in every step.

Spokane Is Now Dry.

Spokane, Wash., July 3.—(Special)—When the lid went down on John Barleycorn in Spokane with the advent of the federal law prohibiting traffic in liquor, there had been issued 171,069 permits in the county since the permit law went into effect a year and a half ago. Of this total 91,889 permits were issued during the past six months.

Judging by the rush to lay in supplies during the last few days of grace the town will not go thirsty immediately. At the auditor's office a force of twenty extra clerks was necessary during the rush to issue the previous pink slips and at the express offices long lines of anxious people surged up to the counters to receive the coveted packages. As one express clerk observed, "You'd think this stuff was life preservers and half the city was drowning."

The authorities fear little trouble in enforcing the dry law. The fact that Uncle Sam has issued the decree is sufficient for most bootleggers. Many of the traffickers in illicit liquor had little respect for county or city peace officers, knowing their conviction would be difficult and that sentences were not unusually heavy, but when the federal government took a hand that's different.

The only way a person could have liquor to be used as a beverage shipped into the state now would be after a test of the validity of the federal law. Some lawyers claim this law could not apply to a state which has already in force a limited prohibition law. Other lawyers declare the federal law takes precedence.

North Powder News

North Powder, July 6.—(Special)—Wolfe Creek and Clover Creek had a big 4th of July celebration together. All kinds of different sports were listed and prizes were given to the one proving himself or herself the best one in each event. Everyone was invited to come and bring their lunch and have a good time.

Miss Avis Chute now has charge of Miss Amy Haines' stock of millinery at Chute's store and will look after the same as long as it is in North Powder.

The Ladies' Aid of the M. E. church have subscribed \$500 to the new parsonage soon to be built at the rate of \$100 per year for five years.

The North Powder News is advocating the establishment of a Community house in North Powder by the ladies' clubs and we say let the good work go on. We have had a Chautauqua now and we want these other good things.

A very enjoyable time was had at the country home of Mr. and Mrs. Chas. Hutchinson on Saturday evening June 20th. A 500 party was given by Mr. and Mrs. Chas. Hutchinson, Mr. and Mrs. C. J. Forsstrom and Mr. and Mrs. Thoron Maxwell. A large crowd of jolly people assembled early in the evening as a cafeteria supper was served on the lawn beginning at seven o'clock. What a hungry crowd can do to a supper cooked country style can only be told by the cooks. Card tables were then put out and the crowd indulged in 500 for some hours. Will Coughnour won the prize for the gentleman and Mrs. Lois won the prize for the ladies. Miss Esther Jacobson received the consolation prize for the ladies and Mr. Bert Taylor received a package prize of firecrackers for a "booby" prize. Those invited were Messrs. and Mesdames: Russell, Weskill, McGrath, Lee, Huddleson, Pearce, Will Pearson, Monday, Hoover, Robinson, Parker, Wiley Dalton, Herman White, Frank Mercer, James Dalton, Sr., Johnson, Pennell, J. O. Pilcher, L. B. Moore, Bert McCurry, Coughnour, Loughlin, Wiltshire, Riordan, Dr. and Mrs. Law, Dr. and Mrs. Irvine, and Mr. and Mrs. Will Hutchinson, Union; Mr. and Mrs. S. E. Forsstrom, Cove; Mr. and Mrs.
