Joseph News Items

Joseph, July 9.—(Special)—Joseph enjoys very hot weather with only an occasional storm threat. Rain is needed very badly as the hill crops are starting to "burn up."

Captain Neer and Lieutenant Allen, of Company M, came to Joseph Saturday in Dr. Holt's car from La Grande. Lieutenant Allen left Sunday for Imnaha where he will get more recruits.

Mrs. Floyd Green left Sunday for North Powder where she will visit her parents who live there.

While on the way home, after having been in town, Gus Turnbow and Albert Kinney were thrown from their wagon while their horses were running away. Both men were hurt some but no serious injuries were done excepting that the wagon in which they were riding was smashed up.

City Marshal Patten announces that there was less rowdiness and, on the whole, the town was more quiet on this Fourth than in any preceding

celebration ever held in Joseph. The general opinion here is that war and prohibition combined are the cause of this but whatever it is it certainly is an improvement.

Peter Boudain was in town Saturday attending to some business matters. Rev. F. R. Sibley, of the M. E. church left Monday for Portland where he will attend the N. E. A. convention.

Frank Conley and family, of Eugene, are in town in order that Mr. Conley may be with his mother, Grandma Conley, who had her leg broken in a fall recently.

A Commercial Club meeting was held this week to arrange for the entertainment of the Editorial Association which will visit Joseph in the near future.

Clarence Carpenter has been made a corporal in the U. S. army. This announcement was made in a letter which was received by his parents this week. Clarence is a graduate of the Joseph high school and has only been a soldier for about two months. It is reported that other Joseph boys may be advanced in the near future.

Jimmie Mitchell has converted the old McCully store building into a dance hall and bowling alley. Many Joseph people expected to attend the Cole Brothers' Circus which is being held at Enterprise today.

Lucile Parrent, of Enterprise, was a Joseph visitor Saturday. Charles Miller had the misfortune to break his arm while cranking his Ford on the morning of the 5th. Dr. Mount reduced the fracture.

While riding in from the Divide, Arnold Huffman, Robt. Kidd and Mrs. Robt. Kidd were thrown from Mr. Huffman's car. No serious damage was done.

F. H. Gaulke and family are occupying the Anderson cottage at the lake.

ADVICE TO THOSE REGISTERED.

Washington, D. C., July 9.—(United Press)—In brief this is what each registrant is required to do:

Go to your exemption board and find out what your red ink serial number is as soon as your board has finished numbering the cards for the big lottery.

Watch for the drawing in Washington. Then find out whether you were drawn and the order in which you must appear.

After that learn when you must appear for physical examination.

In case of doubt as to any point, ask your local board about it.
