**Society and Personal**

**ANNOUNCEMENT.**

Social and club news for this department should be given to the Observer by phone or otherwise, during the forenoon. Such news turned in after 12 o'clock, noon, will frequently have to be held for publication the following day.

The dance given by a number of La Grande prominent young matrons and misses at the Riverside park last night was well attended and quite a handsome sum was realized for the company fund of the La Grande hospital unit. The members of the latter were out in force and the occasion took on the aspect of a farewell event. Members of Company M were also present and as always the military were quite popular and added a picturesque element to the scene. The pavilion was prettily decorated in the national colors. The young girls and matrons also presented a pretty scene in their multi-colored summer gowns. The pavilion was cool and the air delightful, especially after a hot day. Refreshments were served during the evening. The young women worked hard to make the affair a success and are naturally much gratified at the result.
