Few medicines have met with more favor or accomplished more good than Chamberlain's Colic and Diarrhoea Remedy. John F. GIRLS, DO YOU WANT TO BE A MOVIE STAR? ASK MYRTLE STEDMAN WHEN SHE COMES HERE THIS WEEK

Girls do you want to be a movie star?

Ask Miss Myrtle Stedman. She is the most charming woman of the Paramount Motion Picture Corporation, who comes to the Arcade theatre for two days, Sunday and Monday.

If press notices from other cities visited count for anything, Miss Stedman will be given an ovation that will long be remembered in this city.

Besides her little stunt of advising young girls who are eager to enter the motion picture field, and her beautiful singing voice, together with her charming grace and beauty, she offers a program of super excellence that is very interesting to everyone.

Unlike many other stars in the photoplay world, Miss Stedman has a faculty of winning over her audience from the very start, simply because she knows how to talk and what to talk about.

There will be nothing said that is insipid and uninteresting to her audience. And facts and nothing but facts and her wide experiences in the Screen World will be related in the most fascinating manner.

This positively will be Miss Stedman's only appearance in person, as the tour she is now making will continue for ten weeks only, after which she will go to New York and become the head of her own company.

Arthur Ashley. The story of "The Bondage of Fear," deals with the fight made by Vesta Wheatley-Randolph to retain her happiness. Strange circumstances make it seem impossible for her to do this, and then she takes the law into her own hands and—But the remarkable climax of this truly remarkably drama should not be revealed now as doing so would spoil a great thrill for you. You will most certainly enjoy this intense photoplay.

Are You One of Them?

There are a great many people who would be very much benefited by taking Chamberlain's Tablets for a weak or disordered stomach. Are you one of them? Mrs. M. R. Searl, Baldwinville, N. Y., relates her experience in the use of these tablets: "I had a bad spell with my stomach about six months ago, and was troubled for two or three weeks with gas and severe pains in the pit of my stomach. Our druggist advised me to take Chamberlain's Tablets. I took a bottle home and the first dose relieved me wonderfully, and I kept on taking them until I was cured." These tablets do not relieve pain, but after the pain has been relieved may prevent its recurrence.—Adv.
