ARCADE

MAE MURRAY IN CHARMING CHILD PICTURE TOMORROW

The charming Lasky-Paramount star, Mae Murray, will be seen at the Arcade on Friday and Saturday in the Lasky-Paramount production of Ruth Sawyer's whimsical story, "The Primrose Ring," which was especially prepared for the screen by Marian Fairfax and produced under the direction of Robert Leonard.

The story has to do with a little nurse in a children's hospital, and wonderful fairy stories. Many of the scenes were filmed in the children's hospital and the picture was shown to the children immediately upon its completion—the first time that many of the little unfortunates had ever seen a motion picture. In the cast supporting Miss Murray are Tom Moore, Little Billy Jacobs, Winter Hall and Mayme Kelso.

If anyone doubts that Miss Myrtle Stedman is the most beautiful woman in motion pictures, and if anyone doubts she has a most beautiful and cultivated voice, let them go to the Arcade theatre next Sunday and Monday and see for themselves. What the heart sees, the eye must believe.

Miss Stedman is considered the

Venus of the Movie World, and with out fear of contradiction we can substantiate these facts and facts that you will agree that the writer is a good judge of beauty.

Miss Stedman is demure and sweet as the sun-kissed lilies.

She has large blue eyes, and is sometimes called the girl with the search-light eyes.

Miss Stedman wears the most stunning gowns, and will change them at every performance.

Besides giving an entire change of her songs as well.

Those who have seen Miss Stedman in pictures are requested to see her at the Arcade theatre and meet her face to face.

TED THYE HAS NEVER BEEN THROWN

WHILE HE HAS HAD DRAWS, HE HAS NEVER LOST A MATCH BY FALLS.

Ted Thye, who wrestled Jack O'Neill tomorrow night for the 175 pound championship of the Northwest began his career as a professional five years ago. He bears the distinction of having never been beaten in falls. He of course has had draws, he has been in handicap matches, but as yet has never lost a match by falls.

He is twenty-six years old and weighs 175 pounds. He has been in several interesting matches in 1917. Winning over Jack Kennedy, Eddie O'Connell, Buck Hartman. Beating Tony Ajax in Los Angeles last Spring and getting draws with Walter Miller, world's champion middleweight, and John Berg, who is well known here.

In meeting Jack O'Neill he will have one of the toughest matches of his career. Wrestling with O'Neill will be equal to taking a post graduate course. If there are any holds in the wrestling repertoire that he is not familiar with, he will probably know them by heart after working with him.

Good pictures, good preliminaries, good music in connection with main bout make a well balanced program for tomorrow night.

Mr. Thye goes from here to Houston, Tex., where he is matched with Pete Brown, well known Eastern wrestler.

Church Services at Pleasant Grove Next Sunday Morning—Mr. and Mrs. John Nederer and Mrs. D. D. Sanderson Return From Joseph—Patriotic Rally at Pumpkin Ridge.

Summerville, Ore., July 17.—(Special)—Church services at Pleasant Grove next Sunday morning, conducted by Rev. Archer, our pastor. Services here in the evening, as usual—only the time for beginning has been changed to 8 p. m. from 7:30 p. m.

Mr. and Mrs. Jno. Niederer and Mrs. D. L. Sanderson and children returned from Joseph last Sunday, after a week's visit with Mr. and Mrs.

Roy Spencer. They reported having had a very enjoyable time. Old Sol gave them a very warm reception also.

A patriotic Sunday School rally and picnic was given by the Pumpkin Ridge Sunday School last Sunday. About 80 participated in the enjoyment. Ray Hug is superintendent of this school.

Mr. Matt Sanderson took his family out for a joy ride last Sunday. Before the joyride the Sanderson and Park clans had been assembled for a good time; and not the least part of the good time was obtained during their picnic.

Mrs. J. J. Wagoner and Mr. and Mrs. Wayne Park picked cherries on the Sanderson place on the 6th inst. A year ago today the weather was cold and rainy. Notice the similarity and difference—slight rain and sultry today.

Mrs. Lee Fine and babies are over from Echo to escape some of the intense heat that prevails there during the summer. At present they are visiting with their aunt, Miss Lydia Hug. Later Mrs. Fine expects to see her brother Victor Niederer, who is sergeant of a company of soldiers who are guarding a tunnel near Great Falls, Mont. Before Sergeant Niederer intends to pay a short visit on his old stamping ground near Summerville with numerous relatives and friends.

North Powder News

Reports in Portland Papers of Crop Losses Are Overdrawn—Notes and Personals.

North Powder, Ore., July 18, 1917. (Special)—The Portland papers are printing the story that this part of the dry farming section is burned out and that the farmers will not be able to stay on their places this year. It is true that the continued drought has hurt the crops a great deal the same as it has all over; but we wish to state that there are several pieces of fall grain that will make a fair crop and some of the spring grain will make some grain but not a full crop by any means. Fall rye will make a good crop and spring rye will make part of a crop. It is true that the crops are bad enough but we do not like to see conditions made to appear any worse than they really are. A number of the crop reports sent out are by people living in town who gather up what they can from hearsay and send it in as authentic crop reports. It is also reported that farmers are leaving their homesteads and going to work. This has been done by most of the farmers in the dry belt ever since they have taken up their ranches. They go to work on the other ranches and help out in haying and harvest and find all they can do at good wages. So that going to work is what they have been doing all the time. The dry farms are a long way from being dried out and a rain would now make hay of most of the spring grain that is too far gone to make grain.

It is about time that the good people of North Powder get busy and get a rest room. This is one of the most necessary things for a progressive town. If there is anyone that needs a place to rest and get out of the heat and dust it is the women from the country, and especially the mothers of small children. They must come to town and only the mothers of little people know what a task it is to have to stay around the store for a time with a bunch of little ones to take care of and no place to rest in but the stores. Who will be the first to "start the ball to rolling?" This would not be a bad idea for the ladies clubs to take up.

Orburn Saunders and Chas. Law left for Walla Walla on Saturday July 14th to work throughout the harvest at that place. Mr. Sanders has run a combined harvester there for some years. Chas Law will be the header tender and help Mr. Saunders with the machinery. The young men expect to be gone about 30 days.

Mr. and Mrs. Bert Taylor returned to their home in Buhl on July 17th. Mr. Taylor spent a week at Hot Lake and was very much improved in health when he returned home. He expects to return later in the season and spend some time here until he recovers his usual health. As he was building a new bungalow he felt that he could not stay away from home but a short time.

Mr. and Mrs. Herman White, Mr. and Mrs. Grant Dalton visited at the home of Mr. and Mrs. C. R. Tibbets last Monday.

C. R. Tibbets sold and delivered seven head of yearling heifers to Grant Dalton, on Monday and a cow and a calf to Herman White. These cattle are grade Jerseys and fine young cattle.

John Burdette, a rancher in the Riverside section commenced to bind his wheat on July 13. He thinks he
