LOCAL EXEMPTION BOARDS

WILL MEET AFTER THE DRAFT

Portland, Ore., July 18.—Every man in Oregon registered under the selective conscription act should know just what to do if his number is drawn and he is called for service on the first draft, soon to be made.

First, he should learn at once, if he has not already done so, the new red ink serial number of his registration card. He can learn this by applying to his local county exemption board.

As soon as the names of the men to be called from Oregon on the first draft are known, the local exemption board in each county will post a list of the men drawn from that county. Only in counties that have already supplied their full quotas through volunteers in the regular army and National Guard, will this not be done.

The county exemption boards will also send notification, at the address on his registration card, to each man called. This letter will direct the man drafted to appear before the board for physical examination on a specified date.

Whether or not the man called intends to file a claim for exemption or discharge, he must appear without fail on the date named.

If he desires to file a claim for exemption or discharge, he has seven days in which to do so from the day the call to him was mailed and posted. The procedure is more simple than is generally supposed.

First, if you come under the ex-

empted class, go to your exemption board and ask for Form 110 for exemption, or Form 121 for discharge (men having dependents apply for discharge instead of for exemption.) Second, fill out the proper form and file it with the board. Third, do this within seven days of the posting of the call to you to present yourself before the board.

After having filed your claim, however, you will still have ten days in which to file proof. All proofs must be in the form of affidavits. Upon application the board will give you the official blank forms for these affidavits. Have the affidavits properly made out and return them to the board within the 10 day time limit.

Another important fact to remember is that county exemption boards cannot consider claims for industrial exemption. Such claims must be made to one of the three district boards that will sit at Portland, at La Grande and at Eugene.

Moreover, claims for industrial exemption cannot be filed with the district boards until the county exemption board has certified and posted your name as one who has been called for service and not exempted or discharged.

The dance last night at Rex hall for the benefit of the La Grande Hospital Unit's Fund was well attended and all those present had a very enjoyable time, although the evening was sultry. Refreshments were served and the hall was prettily decorated. The boys raised a good sum for their fund. They are especially grateful to the following members of the orchestra who donated their services: Violin, Dick Lindsay-LeRoy Lay; viola, Bertha Young; Cello, Mrs. Snapp; double bass, Russell; cornet, Wilde, Aplin, McMillan, Tatman; clarinet, Snapp; French horn, Bay; trombone, Zinn; flute, Bate; piano, Mrs. Lay-Stevens.
