COLONIAL

ROLLICKING COMEDY, "THE CLOCK" AT COLONIAL.

For the purpose of diversifying the entertainment provided by the promoters of Bluebird photoplays there will be presented at the Colonial theatre on Friday and Saturday a rollicking comedy, spiced with excitement and adventure, under the caption of "The Clock." The star of the occasion will be Franklyn Farnum, with pretty Agnes Vernon his leading lady. This combination of talent has furnished several Bluebirds of pleasant recollection, among them being "The Man Who Took a Chance" and "A Stranger from Somewhere," both plays of comedy bent and of much the same original type to be reflected in "The Clock." Mr. Farnum is a big, handsome fellow of dashing demeanor who frolics through situations that would seem incredulous if other men participated in them. But the Farnum way of doing things makes almost any incident plausible and quite within reason. Miss Vernon is among the prettiest and most talented of screen queens and the combination makes for ideal entertaining results.

Are You One of Them?

There are a great many people who would be very much benefited by taking Chamberlain's Tablets for a weak or disordered stomach. Are you one of them? Mrs. M. R. Searl, Baldwinville, N. Y., relates her experience in the use of these tablets: "I had a bad spell with my stomach about six months ago, and was troubled for two or three weeks with gas and severe pains in the pit of my stomach. Our druggist advised me to take Chamberlain's Tablets. I took a bottle home and the first dose relieved me wonderfully, and I kept on taking them until I was cured." These tablets do not relieve pain, but after the pain has been relieved may prevent its recurrence.—Adv.

LIVESTOCK MARKET.

Portland, July 20.—(Special)—The midweek offering outside of the hog alleys is mostly of the stocker and feeder type which is represented in the cattle pens by some very choice and some very ordinary material and in the sheep pens by a varied offering of stock ewes with some choice marketable lambs.

Cattle.

Receipts—113. The market conditions remain unchanged in this department with considerable activity in the stocker and feeder types which have ranged all the way from four and a half to seven and a quarter. The volume of trade has been comparatively small but the market is busy with small transactions.

Hogs.

Receipts—166. The market is steady without any appreciable increase in prices prevailing yesterday. There was but one car of good packing material offered and this was taken readily at current quotations.

Sheep.

Lambs brought twelve to twelve seventy-five according to the quality and preparations for market while a considerable number of stock ewes changed hands at \$6.50 to \$7.00. There was no change from yesterday's prices in the wether and yearling trade.

Cause of Despondency.

Despondency is often caused by indigestion and constipation, and quickly disappears when Chamberlain's Tablets are taken. These tablets strengthen the digestion and move the bowels.—Adv.

forces her to stop amusing the children with her wonderful fairy tales she promptly resigns.

How matters are finally straightened out and how the primrose ring is woven about the little nurse and the young doctor, and the fairies go mad with joy, is presented in a most novel, charming and wonderful fashion.

In the cast supporting Miss Murray are Tom Moore, Little Billy Jacobs, Winter Hall and Mayme Kelso.

Many Thrillers With Wortham Shows Here Next Week.

Perhaps one of the most exciting attractions which will be seen in La Grande next week in connection with

presented at the Arcade today and tomorrow, when Mae Murray, the charming Lasky-Paramount star, appears in "The Primrose Ring." This screen adaptation was made by Marian Fairfax from Ruth Sawyer's clever story.

In "The Primrose Ring" this captivating young star is seen as a nurse in a children's hospital, and as she herself was once a crippled child, she takes an unusual interest in them and, in spite of the disapproval of the head nurse and trustees, amuses the children with thrilling fairy stories of goblins, elves, plumed knights and fairy glens.

The little nurse has fallen deeply in love with the handsome young head doctor of the hospital and when he

the Great Wortham Shows will be the "Follies of Life," which is a modification of the latest thriller, sometimes called the Silo Drome. The Silo Drome is a circular and perpendicular track around which daring riders whirl at break-neck speed going 60 miles per hour performing all kinds of evolutions and dare-devil stunts, rivaling as it were, the proverbial fly on the ceiling.

"The Follies of Life" is indeed a thriller and it is sure to prove one of the most popular attractions on the big "Joy Zone" and it is here you will see "Speedy" Wallace and his troupe of deathdefying riders, including the
