Society and Personal

The farewell reception to the La Grande Hospital Unit and Company M. that will be given by the commercial Club, assisted by the Honor Guard Girls at the Y. M. C. A. on Thursday evening, from all indications, promises to be one of the real social events for the summer season. Committees have been appointed by Mr. Fred Currey, chairman of the arrangements committee, and all of them are putting forth their best efforts to make the event one that will long be remembered. The Y. M. C. A. building will be decorated in true military style, the decorating committee with Miss Gladys Black as chairman has planned to decorate the gymnasium, where the program is to be held, with regular army equipment. Flags will be in profusion, the balcony will be suitably decorated for the orchestra that will play from there during the evening. A very fine program has been arranged from among the younger artists, the Hospital Unit will furnish two numbers, Company M. will have their celebrated quartet and Corporal Peterson will be there with his accordion, the Honor Girls will contribute two numbers and others have gladly consented to help in making this farewell reception a success. The Arcade theatre has very generously given the services of their orchestra for the occasion and this feature alone will assure the complete success of the musical program.

Refreshments will be served by members of the Honor Guard, and arrangements have been made so that a large number can be accommodated at a time.

The Commercial Club cordially invites the people of La Grande to attend this reception and say their good bye to the boys of the two companies. The Y. M. C. A. will have all of its spacious rooms open for the occasion and there will be room for all.

The concert which this famous couple give to night at the M. E. church under auspices of the Epworth League, is the first and probably the only appearance the Herbsts will make this summer in formal recital in Eastern Oregon.

In spite of the warm weather, and a terribly busy week for every one, and notwithstanding that it is the night before the first of the month, it is expected that La Grande will do deserved honors to the world-famous musicians by turning out a creditable audience tonight. The quality of the concert needs no encomiums; there remains now only the duty of La Granders to show by their attendance tonight that they appreciate the efforts of those who undertake to bring the best in the land to our doors.
