Sammies Movie Man Has An Exciting Time

BY W. S. FFORREST
(United Press Staff Correspondent)
Paris, July 8 —(By mail)—Paul Rainey, millionaire American sportsman, finds making movies of American troops in frenzied Paris crowds far more hazardous than photographing ferocious wild beasts in African jungles.
Rainey is one of the official photographers for the American Expeditionary Force in France. He came to France with the American Red Cross but was prevailed on to turn his endeavors toward recording every important move of the all important American "Sammies."
Rainey's movies of lions, tigers and other wild beasts taken in British West Africa are known throughout America. It was he who first took

Texas dogs to the jungle to track big game. Days and even weeks were required by the American picture hunter to secure good films of hipopotami, rhinoceros and other rare specimens of the African wilds.

The occasion of American troops marching through Paris on July 4, 1917, furnished Rainey more excitement than weeks of jungle hunting. Beginning at the Invalides, where General Pershing received the flags and banners which may someday be famous in American fighting records, Rainey began snapping the soldiers, officers and the crowd. Dashing at top speed with his movie camera through sardine-like masses of people he secured every move of the ceremony. Then came a wild dash through Paris in a big automobile, stopping occasionally to take a view of the marching American regulars and the wild crowds that cheered them. Arrival at Picpus cemetery, the place of Lafayette's tomb, the intrepid jungle photographer again braved frenzied crowds and forced his way into the graveyard. Assistants followed closely behind with big rolls of new film ready to recharge the camera.

"Phew," said Rainey after it was all over. "Another day like this and I'm ready to go back to Africa with the gentle lions and tigers."

Rainey who has deserted his plantation in Mississippi, his home in Cleveland, his New York apartment and his bungalow at Nairobi, Africa, to serve Uncle Sam with the camera, has probably "snapped" every important move made by the "Sammies" since they arrived in France. He was one dock at "the port," "Some-

where in France" when the troops arrived. He followed them with his movie to their temporary camp near the town. A few days later found him cranking the box at the railroad station when the famous battalion arrived to march through Paris. Braving all the dangers of Paris crowds Rainey secured the best set of American movies made on the Fourth of July. He is going to follow the "Sammies" to their permanent camp "Somewhere in France" and from there to the firing line.

Americans sitting comfortably in American movie houses will soon begin to see the work of the American millionaire photographer who is working for Uncle Sam just because the deeds of the American army must be preserved for posterity.

PERSONALS AND SOCIETY

(Continued From Page Five)

Dr. R. F. Murphy leaves Saturday for a weeks' vacation at Hood River. His brother, Dr. L. L. Murphy will have charge of the office during that time.

The Beehive Girls of the L. D. S. Church had a swarm last evening on the Tabernacle lawn. They took up the matter of Red Cross work.

Mrs. Iva Garrett and small son of Los Angeles, who have been visiting Dr. Myers, left last night for their home.

Mrs. A. E. Pollock of Joseph is visiting her son here who is in Company M.

Rev. H. L. Ford is going away to Wallowa Lake tomorrow for a vacation.

A pretty wedding took place at the Parsonage of the church of Christ, Monday July 30 at 6 o'clock, when Miss Roxie M. Ruckman daughter of Mr. and Mrs. D. B. Ruckman of Imbler was united in marriage to Mr. Paul S. Young son of Mr. and Mrs. Young of Eldorado Ill.

Pastor H. L. Ford officiated, using the ring ceremony in the presence of a few relatives only.

The bride was charming in a gown of dainty gray moline trimmed with silver lace and braid over white satin.

Owing to the fact that Mr. Young belongs to the Hospital Corps and may be called to service soon the couple have not left on a wedding trip but are with the bride's sister Mrs. W. L. Sargent of La Grande.

Many of the friends of John A. Gjermo and Mrs. Myrtle E. Murray will be surprised to hear that this couple were very quietly married on the evening of July 8th at the home of Mrs. Murray on Adams Ave. by the Rev. F. W. Bussard of Zion's Lutheran Church of this city. There was no one present except Mr. Gjermo, Mrs. Murray, her two children, Robert and Mildred, the pastor, and the two witnesses, Jay Conley and Florence Baker. These people have so well succeeded in keeping this a secret that it has only been recently that the office force where Mr. Gjermo works became aware of the fact, and then someone observed the marriage license at the courthouse and upon inquiry the story came out.

Mr. Gjermo is connected with the dispatcher's office at the O. W. R. & N. Co. depot and is well known here, especially among the railroad people. Mrs. Gjermo has resided here for several years. They are making their home at 602 Adams Ave.

Mrs. Oscar Thompson and Mrs. Emil Edwardson will be hostesses of the Ladies' Parish and Mission Society of Zion's Lutheran Church on Thursday afternoon at the church on M. Ave.

Mr. and Mrs. H. L. Lyons left Sunday night for Portland and Seattle to be gone several days.

Mr. William Marsters, of the Willamette University, is in La Grande on a short visit with friends.
