Short Circuit Causes Fire. A fire alarm at 9:15 a. m. called the department to the residence of J. S. Lewis, corner of U and Pine. An electric iron had got too hot and short circuited. Two pennies were behind the fuses, and there was nothing to blow out, so flames resulted. There was no damage.

American Soldier Dies. American Training Camp in France, Aug. 2.—(Special) —Major-General John J. Pershing arrived yesterday at the American training camp and inspected the troops. Society and Personal

The Herbst Concert at the Methodist church Tuesday evening was attended by a very enthusiastic audience. It was a very superb concert and every rendition was considered a gem in itself. The selections were all very high class music and were excellently rendered.
The opening number was a group selection "Omnipotency", Schubert, for voice, violin and piano and was excellently rendered. Mrs. Wright-Herbst was in excellent voice, and sang with a minimum of effort and a maximum of beauty of tone. The lovely Carmen Aria was sung with a tonal charm which was inevitable in its appeal, and brought out the wonderful dramatic ability of the singer. The Murmuring Zephyrs brought out the pianissimo style of her voice, which is great for its beauty and sweetness, as well as its clarity.
Professor Herbst's rendition of "Introduction," one of his own compositions, was very enthusiastically received, this being the first time it has been heard by the public. It is sure to gain recognition wherever it may be played. Professor Herbst is the finest violinist heard in La Grande since Leonore Jackson, world famous violinist, was heard here twenty-one years ago.
Mrs. Edith Wright-Phy was at all times a very sympathetic accompanist.
La Grande was certainly fortunate in having had these artists here Tuesday night, and they both won unqualified success.

R. J. Kitchin is motoring to Union today on legal business.
Mrs. Mable Robbins, who has been attending the State Normal at Monthouth for the last year, arrived home Tuesday noon and is now with her mother, Mrs. Sara Williams of Old Town.

Nolan Skiff, Receiver of the United States Land Office and wife, accompanied by Miss Violet M. Larson, motored to Baker today. Miss Larson who has been employed in the Local Land Office as temporary stenographer for the past year expects to take the civil service examination August 3rd, 1917 at Baker and if successful will become a permanent employee of the office.
