PAULINE FREDERICK AND THOMAS MEIGHAN AT ARCADE, TODAY

Pauline Frederick, the screen's greatest emotional actress, has temporarily forsaken her customary "heavy" roles and in her latest famous Player-Paramount picture, "Her Better Self" is seen as a young society butterfly in love with a heavy serious young doctor.

The story deals with the way Vivian Tyler, pampered daughter of wealthy parents, successfully bridges the vast gulf of poverty which yawns between her and the man she loves who is charity doctor.

When their mutual attraction for each other has brought about a situation almost demanding that he propose to her, he is forced to tell her that their marriage would be utterly impossible. "You could not stand even a week of my life," he told her bitterly.

The way she secretly plans to take this test, coming to his sanatorium, to help and mingle with his co-workers, but is at last discouraged, not by the endless squalor and drudgery of it but by discovering what she thinks is a love affair between him and a girl of the streets who worships him, makes a situation that is thoroughly gripping in its intensity and great "human interest."

Returning to her home, Vivian loses all interest in her life and allows her parents to announce her engagement to a foreign Baron whom she secretly despises. The latter urges an early wedding, but a telephone call from the young doctor brings her back to him to try again.

But the girl who had caused their first misunderstanding soon widens the gulf between them by committing suicide. The blame attached to the doctor who chivalrously allows himself to be indicted because he thinks he is shielding Vivian.

The tangle of circumstantial evidence is at last unwound however by Vivian herself and the happiness of the lovers only heightened by their terrible experience.

Pauline Frederick has given an exceptionally fine interpretation of this

difficult role and is most ably supported by a splendid cast including Thomas Meighan, who has been seen with Miss Frederick in most of her recent productions, Frank de Rheim, Armand Cortez, Alice Hollister, and Maude Turner Gordon.

### MARY PICKFORD COMING

Mary Pickford's timely photoplay, "The Little American," staged under the personal direction of Cecil B. De Mille, will open at the Arcade theatre next Monday and Tuesday. The story by Jeanie Macpherson in collaboration with Mr. De Mille, is of particular patriotic appeal and offers many stirring chapters from the book of the great war across the ocean.

### HOW TO TELL THE RANK OF AN AMERICAN ARMY OFFICER AT A GLANCE

(By United Press)

Washington, Aug. 2—You can tell the rank of an American army officer by knowing that:

A Second lieutenant has an epaulette with no bar.

A First lieutenant has an epaulette with one white bar.

A Captain has an epaulette with two white bars.

A Major has an epaulette with a gold maple leaf thereon.

A Lieutenant Colonel has an epaulette with a silver maple leaf.

A Colonel has an epaulette with a silver spread eagle thereon.

A Brigadier General has an epaulette with one silver star.

A Major General has an epaulette with two silver stars.

A Lieutenant General has an epaulette with three silver stars.

A General is exceedingly rare. Thus far in our history there have been only two. They were Washington and Grant.

During the hot weather of the summer months some member of almost every family is likely to be troubled with an unusual looseness of the bowels, and it is of the greatest importance that this be treated promptly, which can only be done when the medicine is kept at hand. Mrs. F. E. Scott, Scottsville, N. Y., states, "I first used Chamberlain's Colic and Diarrhoea Remedy as much as five years ago. At that time I had a severe attack of summer complaint and was suffering intense pain. One dose relieved me. Other members of my family have since used it with like results."
