KILDUFF SHOWS HE'S REAL MAJOR LEAGUER

By H. C. HAMILTON
(United Press Staff Correspondent)
New York, Aug. 2.—Pete Kilduff has proved his class.

Out of the Western league to the big show for the first time in his career the little fellow has understudied Charley Herzog until he has gained a reputation that some day will carry him into position as a regular.

Pete did his first work as a regular for the Gaints when Herzog tried to kick a piece of chewing gum for a goal and landed on the crown of his back in a Philadelphia railway station. He was out for several days. Kilduff went in, fielded and hit at high speed and immediately became a popular Giant.

Recently the Herzog back again developed a kink and Kilduff went back with such gusto and success that he's more solid than over.

Understudying Charley Herzog with any degree of success is quite a little task, but Kilduff has done it.

Two heavy hitting baseball culbs are acquiring the blinks. Any fan can remember when the Phillies were feared for their heavy clubs, and the same fan will tell you it hasn't been many moons since the Dodgers wielded terrible maces.

Today Cravath, Whitted and Luderus make up the feared trio in Philadelphia, and even they are earning disdain.

Casey Stengel and Zack Wheat are the feared ones in Brooklyn, and they've both been under .300 this year. Jaks Daubert has dropped, George Cuthshaw is losing his punch, and so is Chief Meyers. Hi Myers and Jimmy Johnston are youths.

It didn't take a batting punch to put the Red Sox at the top, even though they did have the powerful Tris Speaker. Pitchers, fine fielding and fast thinking gave them their edge. They've still got most of it. A crack in the fielding is the most noticeable part of their fissure—which is scarcely noticeable as such.

Ask Anyone Who Has Used It

There are families who always aim to keep a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house for use in case it is needed, and find that it is not only a good investment but saves them no end of suffering. As to its reliability, ask anyone who has used it.

North Powder News

North Powder, Aug. 1.—There was some excitement among the motorists here and in other places on account of the high handed proceedings used against the different owners of motor cars in the town of Union. Different ones were caught by a "cop" on a motorcycle and haled before their town recorder and relieved of the sum of \$10.00 for exceeding the speed limit. It is said that nine were caught on Saturday and others on Sunday. To say that the motor owners are indignant puts it but mildly. They are wild. They had not received any notice of any such action and several transients were caught before the news got around. What the city officials are basing their actions on has not been given to the public but motoring people are planning to give this town a wide berth until such time that they can travel without contributing ten dollars to help out some poor official in Union to pay his running expenses as he cannot get them without having the public to help him.

Carl Forsstrom was operated on at Hot Lake on Sunday morning for varicose veins. Mr. Forsstrom has been suffering for some years and at last concluded to have his troubles ended for all time. He is getting along fine and will be at home in a few days.

Haying is practically over in this vicinity and the yield is much better than it was thought to be in the beginning. Fall grain is ripe and a large acreage is already in the shock. It is thought from the lack of the grain that the yield is going to be better than was at first anticipated.

The hot dry weather continues interspersed with cool nights. The potatoes on the dry farms look as if they will be a failure unless we have rain soon. The vines look fine without many potatoes setting on the vines. This will mean a loss to the farmers as they had to pay a high price for seed.

Several of the town people are out camping and are escaping the hot weather. Some of the men are going to The North Powder lakes to get fish.

The North Powder band has been asked to play at the Pendleton Round-Up. It has not been fully decided yet what they would do in the matter. Charlie Hutchinson's two little girls were operated on at the Grande Ronde Hospital for adenoids and enlarged tonsils. As a rule this is

Mr. Dennis an old resident of North Powder is at Hot Lake and getting over his illness. He spent sometime in a Spokane hospital but seemingly did not get better and he came to Hot Lake and is getting along nicely.

Mr. Minnick at one time the owner of a garage in North Powder, is at Hot Lake. Mr. Minnick was operated on and is still very ill. His wife is nearly blind from the shock of his illness. Mr. Minnick is gaining slowly and their friends hope to see them both in their usual health in a short time.

Mr. John Herford who has been at

Hot Lake for sometime expects to be out of the hospital in a few days and will visit in Grande Ronde for sometime before returning home. Mr. Heryford has made a quick recovery for a man of his age.

Miss Lottie Olson is clerking at the Hutchinson-Forsstrom store in place of Mrs. Theron Maxwell who is sick.

The ladies of the Red Cross had a meeting last week and began to do the work allotted them. Quite a number of ladies were present and a lot of work was accomplished. They plan to meet on Wednesdays and Thursdays until their work is completed.
