### ARCADE

#### STRONG DRAMA AND ROLLI-CKING COMEDY AT ARCADE

With both Robert Warwick and Gail Kane as the stars and with a brilliant supporting company "The False Friend" will be the attraction today and tomorrow at the Arcade theatre. The story told in this drama deals with the remarkable villainy by which a wealthy young man wins a beautiful young girl for himself and wrecks the life of his rival, a rising young attorney. The method by which the villain achieves his end is absolutely startling. It is something new in films and it will make a deep impression on all who see this picture. Needless to say, Robert Warwick handles his part with skill and assurance. Gail Kane is not only beautiful but is seen in a role in which she shines. "The False Friend" is a truly notable production that should not be missed.

In addition to this strong drama will be shown another of the new Keystone Comedies. This one has the popular Charles Murry and Louise Fazenda and is called "Maggie's First False Step". The name Mack Sennett-Keystone is enough to guarantee a rollicking comedy that will drive away the blues. It will be shown today and tomorrow.
