More Room

There is more room in this Overland than in any other car sold for anywhere near so low a price.

We have lengthened the wheel-base to 112 inches and equipped it with cantilever rear springs.

The solid comfort of the thirty-five horsepower Overland, combined with unusual power and unusual economy, has made it for years the most successful car of its size by far.

Roomy—easy riding, beautiful, powerful, economical, \$1010.00 La Grande

This season it is a more comfortable car than ever before.

You cannot buy for anywhere near so low a price any car that will give you such complete satisfaction.

NEW SALVATION ARMY ENSIGN

The new Salvation Army ensign, Florence E. Pogue of Portland, has taken charge of the local headquarters

and started work in La Grande. Miss Pogue has had 11 years experience in Salvation Army work in the larger cities and is well qualified. She will continue the work which ensign Childers who has gone to Bellingham has brought up to such a high standard. The public will always find Miss Pogue ready and willing at all times to co-operate in any work for the public good.

The Wise Builder Picks Material That's Easy to Work

Even when labor was cheaper than it is today our forefathers favored wood for home-building in preference to iron or brick for it meant so much less work and quicker occupancy. Why isn't wood just as good now when labor is so much higher?
