**Helping Out Sumpter**—That the Sumpter committee is at least for the time being well able to handle the situation that has resulted from the fire was the conclusion reached by F. A. Harmon, of Baker who investigated conditions in behalf of the Red Cross Civilian Relief committee yesterday. The committee includes L. C. Edwards, H. E. Hendryx and Rev. R. C. Lee and these men, Mr. Harmon says, have so far taken care of all those who are ready in need of help. However, after conferring with the committee, Mr. Harmon found that the Red Cross may find work to do, and if so will do its part.
