

## Pure Blood Will Put Roses Into Your Cheeks

Many people make the mistake of trying to promote a clear skin and a healthy complexion through external applications and treatments.

Such treatments are of no avail if the blood is stagnant and its impurities are constantly being carried to the surface.

Those who do not care for the beauty of a rosy, healthy skin should care at least for the indication it gives of general good health.

### A. D. S. BLOOD PURIFIER

purifies the blood, aids digestion and overcomes that feeling of depression which always comes with bad blood. When the blood becomes rich and red it will reflect its healthy glow in your cheeks, and with the blood's impurities gone the skin will become clear and smooth.

### Personal And Society

A very enjoyable social and dance was given by the Moose Lodge Wednesday night in their hall and about three hundred Moose and their friends were present. Mrs. Clarke Leiter started the program with a vocal solo, "The Sunshine Of Your Smile" and for an encore she sang "Don't You Ever Get Lonely." Mrs. Leiter has

a beautiful mezzo-soprano voice and she sang both numbers with much expression. She was accompanied by the Arcade orchestra. The program was: An instrumental duet, piano and violin, by Miss Donno and Master Floyd Smith, which was encored; a fancy dance by Baby Swartz, one of the best numbers on the program; a short talk by Mr. Stewart, past dictator of the lodge; and a vocal solo by Mrs. R. J. Kitchen, which was enthusiastically received. The program

was greatly enjoyed and the lodge appreciates the services of the Arcade Orchestra as well as the others on the program. After the program watermelon and ice cream and wafers were to be had in the banquet hall, and dancing was in order downstairs in the dance hall until shortly after midnight. The affair was one of the most enjoyable and successful that the Moose lodge has undertaken for a long time, and the committee in charge deserves due credit for putting on such a successful entertainment.

Lennea Johnson of the Grande Ronde Hospital went to Alice this morning to visit her people.

Mrs. J. D. Braughton and daughters of Cove went to the Wallowa country this morning for a three weeks' visit with relatives.

### Safe Remedy For Children.

Every parent is, or should be, careful in giving medicine to children. Chas. Baker, Brownville, Tex., writes: "For some years past I have used Foley's Honey and Tar and have found it especially efficient for bad coughs of my children. I always recommend it to my friends as a safe remedy for children as it contains no opiates. My wife would not think of using any other kind of cough medicine as it is certain to bring quick and lasting relief." It checks croup. Sold everywhere.—Adv.

Mr. and Mrs. Calkins left last night for a month's trip through the southern states. While at San Francisco they will visit the Naval training station at Goat Island, where they have a number of friends.

### Never Bothered Since.

After suffering with terrible pains in his back and around his kidneys for eight years, and after having tried several doctors and different medicines, Alvis Souers, Ade, Ind., writes: "Foley Kidney Pills were recommended to me and the first bottle removed the pain. After taking three bottles the bloating was all gone and has never bothered me since." When relief can be had so quickly why not banish backache, rheumatic pains, stiff and swollen joints caused by disordered kidneys? Sold everywhere.—Adv.
