DONOVAN BEGINNING TO REBUILD THE CUBS

BY H. C. HAMILTON. (United Press Staff Correspondent.) New York, Aug. 29.—Bill Donovan, bitterly disappointed over the failure of his high-priced stars and future greats to come through and lick the daylight out of the rest of the American League is a saddened man. Now he's on the trail of some brand new ones, desired mainly for soundness of bones, and he trustingly hopes the next year will bring solidarity that some day may be converted into a championship team. Bill's outfield has been a source of continual worry. His infield has had its weak spots, and his pitching staff in spite of its potential strength has shown a diversity of form amazing in such hardy workers. When Bill went out and made the trade which brought Arrando Marsans to New York and sent Lee Magee to St. Louis, he selected an orange off the lemon tree, for Marsans immediately began to play a great fielding game, and to hit like he'd been used to hitting in the American League. One hole in that perplexing outfield appeared to have been filled. It was not to be, however. Marsans didn't wait long until he hooked a slide and hooked a bone in half at the same time. He's out of consideration now until next year. Veteran pitchers were relied upon by Donovan to carry the bulk of the load, with several high-class recruits in reserve for emergency duty. Ray Caldwell has worked admirably, but unluckily most of the time. George Mogridge has pitched winning ball only in fits and starts, and Nick Cutilop has been a season's disappointment. Allen Russell has turned in a surprising amount of ability, but he, too, went and got himself injured to an incapacitating stage. Ray Fisher has looked the best of the lot, but for some reason Donovan has been content to keep him on the bench and work him semi-occasionally. Already Donovan has been combing the minors. He picked up three players from Jack Dunn's Baltimore club of the International League and will recall many recruits as the minor leaguers begin to end their seasons. New faces are due to visit the Polo grounds and appear in championship games this year. The process of rebuilding promises to supplant at least four Yankees.

marks a day, with only two marks deducted for board and room and railroad fare. He accepted and on the two-days' trip to Torgan, his entire food was two sandwiches. The meals and lodgings were unbearable, the Swede said. For breakfast they had two thin slices of bread and imitation coffee. Mid-day dinner consisted of sauerkraut and potatoes and at supper they had only sauerkraut, which was mostly water. At tea-time in the afternoon they had, in addition, two more slices of bread, without coffee. Their lodgings were in the pit of an unused theatre, where thirty-two workmen were barracked in bunks three tiers high. The railroad fare was deducted from his first week's wages and he was told it would not be refunded or the return ticket paid for unless he worked three months. He was forced to work on Sundays and was treated as brutally as the war prisoners. After six weeks the Swede and two others pawned their spare clothes, escaped by stealth and made their way back to Sweden, where they are warning their fellow workers to accept no German labor offers.

SUSPECTED OF HAVING HAND IN LYNCHING Butte, Mont., Aug. 30.—(Special)—On suspicion that he was connected with the lynching of Frank Little, Charles A. McCarthy of Denver has been arrested and is now in the city jail. McCarthy was a prominent member of the Metal Mine Workers' union, the organization of striking miners.

Cheaper Sugar Promised. Washington, Aug. 30.—(Special)—American householders are to have cheaper sugar—but they must not use so much of it. Herbert Hoover, returning from Chicago, after a conference with meat packers, said, beginning October 1, there will be a cut of 1-1-2 cents a pound below present prices.

Women Take Positions in Banks. San Francisco, Aug. 30.—(Special)—Invasion by women of the bank vaults and the sacred ground behind the wickets, for many years a privilege reserved to men, has been brought about by the war, according to San Francisco bankers today. Fifteen per cent of the force of one bank has been drafted and replaced by women.

Wallowa Lake Items Joseph, Aug. 30.—(Special)—Camping weather still holds good and all its joys are enjoyed to the fullest extent. H. M. Cockburn and family, of Milton, and Mrs. C. D. Putman, of La Grande, have joined the "Brookside Camp."

Swede, Lured Into Germany By False Promises, Fares Badly Stockholm, Sweden, Aug. 5.—(By Mail)—(United Press)—A Swede has just returned from six weeks' work in a German munition factory at Torgan with a most distressing tale of the condition of the workers there including some French, Belgian and Russian prisoners forced to labor in the shops. The Swede was lured into Germany by a German named Biltzing, who has been recruiting labor in Sweden and Denmark for German munition factories. Biltzing promised the Swede ten
