THE WRONG MEDICINE BOTTLE MAY MEAN A TRAGEDY

When you get up during the night to give medicine to some member of your family, you should be absolutely sure that you get hold of the right bottle. A Flashlight will insure safety. Then there are hundreds of other instances where a flashlight will prove useful and handy.

Red Cross Knitting Instructions

Sweaters, Wristlets, Socks, Mufflers, Issued by the American Red Cross Woman's Bureau, Washington, D. C. For Further Information Call Mrs. E. T. Andrews, Chairman Hospital Committee, Phone Black 421.

1000 Knitted Articles.

A call has been sent to La Grande chapter from the headquarters of the American Red Cross for 250 sets of knitted articles. Each set contains a sleeveless sweater, a scarf, a pair of socks, and a pair of wristers.

At a meeting held Wednesday afternoon plans were formulated for a knitting drive which will be started September 1st. This will mean a house to house canvass to enlist the aid of women who will knit these articles.

Those who are unable to help with this work are requested to make a cash donation to buy yarn, which will be procured from the government at first cost. There will be competent teachers at the work rooms every afternoon beginning today to teach knitting. Also an evening class at the home of Miss Bertha Berger, 1606 Sixth St.

So get the "knitting bug" and help to complete this order by October 1st.

There will be no classes in surgical dressings until next Tuesday, owing to delay in shipment of gauze.

The committee requests that all finished garments and articles be turned in by Saturday of this week.

Following are instructions for different articles to be knitted and we would suggest that it be cut out and saved for future reference:

General Directions.

Stitches should not be cast on too tightly.

Knitting should be done evenly and firmly and all holes should be avoided.

Joining should be done by splicing or by leaving two or three inches at each end of the yarn to be darned in carefully.

All knots, ridges or lumps should be most carefully avoided, especially in socks, as they are apt to blister the feet.

Sleeveless Sweater.

3 hanks of yarn (3-4 lb.); 1 pair Red Cross needles, No. 3.

Cast on 80 stitches. Knit 2, purl 2 stitches for 4 inches. Knit plain until sweater measures 25 inches. Knit 28 stitches, bind off 24 stitches for neck, loose. Knit 28 stitches. Knit 5 ridges on each shoulder, cast on 24 stitches. Knit plain for 21 inches. Purl 2, knit 2 stitches for 4 inches. Sew up sides, leaving 9 inches for armholes, 2 rows single crochet around neck and 1 row single crochet around the armholes.

Wristlets No. 1.

1-2 hank of yarn (1-8 lb.); 1 pair Red Cross Needles No. 2.

Cast on 48 stitches, knit 2 and purl 2 for 12 inches, and sew up leaving 2 inches open space for thumb 2 inches from the edge.

Wristlets No. 2.

(Made in one piece)

1-2 hank of yarn (1-8 lb.); 4 Red Cross Needles, No. 1 (or steel needles No. 12).

Cast on 52 stitches on 3 needles; 16-16-20. Knit 2, purl 2 for 8 inches. To make opening for thumb, knit 2, purl 2 to end of 3d needle, turn; knit and purl back to end of 1st needle, always slipping first stitch; turn. Continue knitting back and forth for 2 inches. From this point continue as at first for 4 inches for the hand. Bind off loosely and buttonhole thumb opening.

Medium Sized Man's Sock.

4 Red Cross Needles No. 1 (or steel needles No. 12); 1-2 lb. (2 hanks) of yarn.

Set up 60 stitches, 20 on each of three needles. Knit 2 plain and 2 purl for 35 rows (4 1-2 inches). 36th row knit 4 plain stitches, knit 2 together; repeat this until the round is completed. There are now 50 stitches on the needles. Knit 50 rows plain until leg measures 11 inches. (6 1-2 inches of plain knitting.) Take half the number of stitches (25) on first needle for the heel (leaving 12 and 13 stitches on the second and third needles for the instep), add on the 25 stitches knit 1 row, purl 1 row alternately for 26 times (or 3 inches), always slipping the first stitch. Begin to turn heel on the wrong side, slip 1, purl 13, purl 2 together, purl 1.

Turn work over, slip 1, knit 4, slip 1, knit 1, and pass it over slipped stitch, knit 1. Turn, slip 1, purl 5, purl 2 together, purl 1. Turn, slip 1, knit 6, slip 1, knit 1, and pass it over slipped stitch, knit 1. Continue working toward the sides of the heel in this manner, leaving 1 more stitch between decreases on every row until all the stitches are worked in. There should then be 15 stitches on the needle. Pick up 13 stitches on side of heel; now knit the 25 stitches on 2d and 3d needle on to one needle, which becomes your 2d needle; with your 3d needle pick up the 13 stitches on other side of heel, and knit 7 stitches off your 1st needle so that you will now have 21 stitches on the 1st needle, 25 stitches on the 2d needle, and 20 stitches on 3d needle. 1st needle (a) knit to within 3 stitches of end, knit 2 together, knit 1. 2d needle (b) knit plain. 3d needle (c) knit 1, slip 1, knit 1, pass slipped stitch over, knit plain to end of needle. Knit around plain (d).

Repeat a, b, c and d until you have 13 stitches on 1st needle—25 stitches on 2d, 12 stitches on 3d. Knit plain for 4 1-2 inches. 1st needle (e) knit 10 stitches—knit 2 together, knit 1. 2d needle (f) knit 1, slip 1, knit 1, pass slipped stitch over, knit 19 stitches. Knit 2 together, knit 1. 3rd needle (g) knit 1, slip 1, knit 1, pass slipped stitch over, knit 9 stitches, knit 2 rows plain (h).

Cut Flowers Season of 1917-18.

The cut flower season is about to begin. We shall not raise our prices on flowers delivered over the counter from former seasons, although florists all over the country are doing so. There will be a messenger or taxi charge on all outside deliveries beginning September 1st. Carnations will begin blooming about September 15th.

The Daily Observer

Makes Clubbing Arrangement With

The Oregon Farmer

Offers Unusual Opportunity to Its Readers

AMONG our large circle of readers there are a great many who are interested directly or indirectly in fruit growing, dairying and other branches of farming. All of these naturally wish to keep in close touch with agricultural activities throughout the state; and to know about any fight which is being waged for the measures Oregon farmers want and against all sorts of schemes that are detrimental to the people and agricultural interests of this state.

We have, therefore, made a special clubbing arrangement with THE OREGON FARMER whereby any farmer or fruitgrower, who is one of our regular subscribers and who is not now a subscriber to THE OREGON FARMER, will be entitled to receive THE OREGON FARMER in combination with this paper at the same rate as for this paper alone.

This offer applies to all those who renew or extend their subscriptions as well as to all new subscribers. If you are interested directly or indirectly in Oregon agriculture, do not miss this unusual opportunity, but send your order in now.

THE OREGON FARMER is the one farm paper which is devoting itself exclusively to the farming activities and interests of [illegible] organization gathering the news of importance to farmers, dairymen, fruitgrowers, stockraisers and poultrymen; and it has the backbone to attack wrongful methods and combinations and bad legislation, and support honest leaders and beneficial measures. We are confident that our readers will congratulate us on our being able to make this splendid and attractive clubbing offer.
