Experience the Best Teacher. It is generally admitted that experience is the best teacher, but should we not make use of the experience of others as well as our own? The experience of a thousand persons is more to be depended upon than that of one individual. Many thousands of persons have used Chamberlain's Cough Remedy for coughs and colds with the best results, which shows it to be a thoroughly reliable preparation for those diseases. Try it. It is prompt and effectual and pleasant to take.

Syringes

Most people buy syringes at irregular intervals therefore their knowledge of syringe quality is limited. Exterior appearances rarely show a defect. It is best to rely on the knowledge and judgment of some good druggist—who exercises care in selecting his stock.

We buy syringes from reliable makers only and use the same care in selecting them as we do in buying drugs.

Fountain Syringes, Bulb and Combination Syringes and a Variety of Syringes for Special Purposes.

Our large and careful buying enables us to get the lowest prices. This saving we share with our customers.
