

Disordered Kidneys and Liver

Are responsible for many illnesses that seldom traced to such a source. The functions of both of these organs is to eliminate impurities and waste matter. It is therefore important that they should be kept in perfect working condition.

A. D. S. KIDNEY AND LIVER REGULATOR

will keep them doing their duty.

Whenever you don't feel just right—suffer from dull headaches, dizziness, backache, etc., or are constipated or bilious, aid your liver and kidneys with this remedy. It's guaranteed and your money will be refunded if you are not satisfied with its action.

Price 50 Cents.

AMERICAN SOLDIERS THINK OF MOTHERS FIRST

(By United Press)

London, Aug. 15—(By Mail—It's not hard to tell of whom the American soldiers on this side are thinking.

According to American women now working in the canteens and rest billets provided for the comfort of the American soldiers who visit London their fixed form of salutation is: "Mother."

No matter if she looks more like a kid sister than a matron the woman who volunteers for this work has to reconcile herself to the term. Most of them say that they haven't found it hard to do.

W. M. Courter of Portland is here for a few days as a special representative for the O. W. R. & N. Co.

PORTLAND MARKET LETTER.

Portland, Sept. 5.—The week's opening market in the Portland Union Stock Yards was very active in all departments, and especially so in the cattle section. The stock offered consisted of 1400 cattle, 1000 hogs and 1500 sheep.

Cattle—The cattle department showed a considerable accumulation of strength through the day, raising the quotations 15 to 25 cents in the various classes. The great bulk of volume was in good, but unfinished steers, which sold between \$8 and \$9. Some excellent cows were offered but changed hands slowly between \$7 and \$8. The calf market was up a good 25 cents and there still prevails a strong demand for good top steers. Trading was prompt and active; all stock offered had changed hands at noon, although the volume was so heavy that weighing continued steady until closing time. The following quotations obtained.

Beef steers, \$8.50 to \$9; good beef steers, \$7.25 to \$8.25; best beef cows, \$6.75 to \$7.25; ordinary cows, \$3.75 to \$6.50; best heifers, \$7 to \$7.75; bulls \$4.50 to \$6.50; calves, \$7 to \$9.50; stockers and feeders, \$4.50 to \$7.

Hogs—The heavy run of feeders which prevailed during the past week has been halted and the week's opening found an offering of splendidly finished hogs and the market has gone up in response to an \$18 top. The supply is still inadequate for the demand. We quote the following prices.

Prime light hogs, \$17.75 to \$18; prime heavy hogs, \$17.65 to \$17.75; pigs, \$15.75 to \$16.25; bulk, \$17.75 to \$18.

Sheep—Conditions in the sheep

houses continues steady with not enough supply in the lamb and wether departments to meet the demand. The stock department is transacting a considerable volume of business with the supply and demand about balanced. The sales justify the following quotations.

Western lambs, \$13 to \$13.50; valley lambs, \$11.75 to \$12.50; yearlings, \$10 to \$10.50; weathers, \$9.75 to \$10.50; ewes, \$8 to \$8.50.
