"FORBIDDEN PATHS"
LASKY-PARAMOUNT

AT THE ARCADE TODAY.

ARCADE

Directed by Robert Thornby from an original story by Eve Unsell, "Forbidden Paths" is one of the notable productions of the season. The story concerns Mildred Thornton, a wealthy young American girl who becomes the ward of Sato, her father's Japanese partner upon her father's death.

She is in love with Harry Maxwell, who, unappreciative of his good fortune, departs for Mexico where he marries Benita Ramirez, a notorious Mexican woman of uncertain reputation. When he discovers the woman's character through the horrified American consul, he returns home and then only commences to realize that he is really in love with Mildred.

Matters are in a hopeless tangle until Sato comes to the rescue of Mildred, with whom he also is in love in a totally unexpected manner, which is typically Japanese both in its ingenuity and in its devotion.

For the solution of this terrible problem, see "Forbidden Paths" at the Arcade theatre today and tomorrow.

MARGUERITE CLARK COMING IN ROARING FARCE

Commencing Monday the Arcade theatre will present Marguerite Clark, one of the screen's fairest daughters in a roaring farce entitled "The Amazons," for two days only. This production was originally written by Sir Arthur W. Pinero and the screen version was arranged by the talented Frances Marion who has been responsible for so many of the Paramount successes.

A typical Clark picture, "The Amazons" presents the winsome little star at her best in a subject of rapid fire theme and hundreds of laughs. Never before has Marguerite Clark been given such an opportunity to display her own inimitable humor and various surprises are in store for those who will visit the Arcade theatre to see their favorite.

Joseph Kaufman, the director of various special pictures has turned out one of the triumphs of his career in this latest subject and advance reports that "The Amazons" will add many new admirers to Marguerite Clark's already long list.

Experience the Best Teacher.

It is generally admitted that experience is the best teacher, but should we not make use of the experience of others as well as our own? The experience of a thousand persons is more to be depended upon than that of one individual. Many thousands of persons have used Chamberlain's Cough Remedy for coughs and colds with the best results, which shows it to be a thoroughly reliable preparation for those diseases. Try it. It is prompt and effectual and pleasant to take.

STAR

OLIVE THOMAS STARS IN "MADCAP MADGE"

Olive Thomas, the former beauty of the "Follies," is seen for the first time on the screen in "Madcap Madge," the new Triangle play at the Star theatre Saturday only. It was written by R. Cecil Smith and produced under the supervision of Thomas H. Ince.

In "Madcap Madge," Olive Thomas appears as Madge Flower, the daughter of a wealthy broker. She is a wholesome, mischievous girl who gets expelled from a young ladies' finishing school so she can join her mother and older sister at Palm Beach.

One of the most amusing scenes is where she makes her entrance on a ballroom floor on roller skates, much to the dismay of her parents. Mother and sister are angling for an English nobleman who is traveling incognito.

WE ASK YOU TO COMPARE  **MODART CORSETS** Front Laced WITH ANY OTHER CORSETS

We ask you to compare for—quality. We ask you to compare for—lines. We ask you to compare for—workmanship.

And when you have given it a thorough, impartial test by wearing it—we will leave it to your judgment whether or not there is any other front laced corset in the Modart class. We chose to specialize on the Modart Front Laced Corset, to feature it in our advertising, to recommend it to our customers—only after a thorough study and search of the corset field. And only after we were convinced that no other front laced corset compared with Modart in quality and fine fitting features, did we choose them.

Our expert, scientific corset fitting service always at your free disposal
