A Valuable Health Hint.

If the bowels are not working regularly, undigested food in the stomach may set up a condition of auto-intoxication and pollute the whole system with poisons in the blood stream. Foley Cathartic Tablets keep the bowels open and regular, the liver active and the stomach sweet. They cause no pain, nausea nor griping. They relieve indigestion, sick headache, biliousness, sour stomach, bad breath or other conditions caused by clogged bowels. Sold everywhere.—Adv.
