**Corns Lift Right Off With "Gets-It"**  
 Blessed relief from corn pains is simple as A B C with "Gets-It." When you've been limping around for days trying to get away from a heart-drilling corn or bumpy callus, and everything you've tried has

"Gets-It" has revolutionized the corn history of the world. Millions use it and it never fails. Ladies wear smaller shoes and have pain-free feet. We old fellows and young fellows forget our toes and feel frisky as colts. Everybody with a corn or callus needs "Gets-It." We will all walk about and enjoy ourselves as we did without corns. ### Double Wedding Takes Place At Alicel

Alicel, Sept. 23.—(Special.)—On Sunday morning at the early hour of 7:30 o'clock a very pretty double wedding was solemnized in the Welch home, near Alicel, when their two beautiful daughters were given in marriage, Miss Hazel to Mr. Carl Fuller, and Miss Edith to Mr. Walter Matthews. H. J. Richards officiating minister.

While Miss Lema Moss played the sweet strains of the wedding march the couples took their places. Each couple acting as bridesmaid and best man to the other. These four young people are prominent in the community, loved and respected by all. We rejoice in the fact that two new homes of such high types will be established in our community.

The guests were members of the families and a few friends. Many beautiful gifts were received by both couples. Immediately after congratulations the bride's appeared in traveling costumes and in a pouring rain, which the old tradition says is "raining riches," the couples were off for La Grande to catch No. 17 for Salem, where the honeymoon season will be spent.

Peerless Engineers Favor Asphalt-Base Oil.

Further recognition for motor oil made from California asphalt-base petroleum was brought to light recently when a prominent Peerless dealer showed a group of newspaper men a letter from the Peerless factory.

This letter stated that after testing several kinds of oil, the technical department was able to secure uniformly better results with a certain widely-known advertised motor oil made here on the Pacific Coast from California asphalt-base petroleum, than from any of the oils which they tested.

**Never Bothered Since.**  
 After suffering with terrible pains in his back and around his kidneys for eight years, and after having tried several doctors and different medicines, Alvis Souers, Ade, Ind., writes: "Poley Kidney Pills were recommended to me and the first bottle removed the pain. After taking three bottles the bloating was all gone and has never bothered me since." When relief can be had so quickly why not banish backache, rheumatic pains, stiff and swollen joints caused by disordered kidneys? Sold everywhere.—Adv.

## HOW THE CHAMPIONSHIP CONTENDERS APPEAR ON THE BASES

**LEIBOLD**

**EDDIE COLLINS**

**BURNS**

Chicago has the greatest base runner in this world series in Eddie Collins, than whom there are few better base runners in either league. In this department he outclasses Burns, the best path man of the Giants.

Counting Burns out the White Sox have at least three men other than Collins superior to any Giant, general base running, not base stealing being considered. They are Hap Felsch, Buck Weaver and Nemo Leibold, any of whom will keep Giant pitchers and catchers busy.

There is another element which will make the Sox more dangerous on bases than Giants—Ray Schalk.

The Giants will not steal bases on Schalk—it isn't done with any kind of regularity by any club.

The White Sox may steal bases on McCarty and Kariden, both of whom are good catchers, but neither of whom is up to the standard of the little Chicagoan.

The Sox have a good edge in the baserunning department, if they play up to their season form.
