

Coming To The Star Thursday And Friday

DOROTHY DALTON IN TRIANGLE PLAY, "THE FLAME OF THE YUKON."

Triangle Star An Alluring Figure As "The Flame" In New Play

She Is An Alaskan Carmen, Queen of the Dance Halls, In "The Flame of the Yukon."

A woman as lawless and free of love as Merimee's Carmen is the role played by Dorothy Dalton in the new special Triangle play "The Flame of the Yukon," written by Monte M. Katterjohn and produced under the supervision of Thomas H. Ince.

"The Flame," as the gamblers and miners call her, is the queen of the dance hall girls in a Yukon frontier town during the gold rush days. She is a woman without creed, conscience or moral standard, yet when she meets "The Stranger," a young, rugged fellow who comes to the northland to make his fortune, she feels a sudden attraction that draws her to him. Instead of "trimming" him, as she has

planned, she becomes his companion and determines to "go straight" in order to gain his respect.

A splendid supporting cast headed by Kenneth Harlan, former leading man for Gertrude Hoffman in "Sumurun," insures the effective interpretation of the many dramatic scenes. Melbourne MacDowell, husband of the late Fanny Davenport and distinguished for his stage work, is another member of the cast, and Margaret Thompson, Carl Ullman and May Palmer have important roles. Charles Miller was the director.

This big stirring picture will be shown at the Star on Thursday and Friday.

People Speak Well of Chamberlain's Tablets.

"I have been selling Chamberlain's Tablets for about two years and hear such good reports from my customers that I concluded to give them a trial

myself, and can say that I do not believe there is another preparation of the kind equal to them," writes G. A. McBride, Headford, Ont. If you are troubled with indigestion or constipation give them a trial. They will do you good.

THE OUTBURSTS OF EVERETT TRUE.

North Powder News

North Powder, Or., Sept. 26.—(Special.)—The friends and relatives of Oscar Gorham were saddened by a cablegram a few days ago stating he had arrived safely in France. Bryce Denning and Robert Burdette are in the same regiment and it was glad news to their relatives and friends as well as those of Oscar Gorham. These young men enlisted in the Aviation Corps and have undergone six months' training. They will now be given several weeks of training somewhere in France before being sent into active service.

Several parties from this town and vicinity attended the funeral and burial of James H. Hutchinson, at Union, on Sunday last. Mr. Hutchinson was well known in this section, having lived in this vicinity several years ago and opening up several valuable farms in this vicinity. Some of which he still owned at the time of his death. He and his brother W. H. Hutchinson who still survives him were among the largest land owners in Eastern Oregon. Mr. Hutchinson was among the first pioneers in this section. By farming and stock raising he made a comfortable fortune. He had been a sufferer for several years so that his death was not unexpected. He left a wife and eight children besides several grandchildren and other relatives. One son Charles Hutchinson, who lives in North Powder.

Four trains loaded with soldiers passed through North Powder one day this week.

Friends of Miss Edna Ames are congratulating her on the occasion of her marriage to Roy Forrester, of La Grande. They are now on their honeymoon in Portland, but will be at home to their friends in La Grande on their return.

The wedding of Miss Edna Davis and Claude Busie, of Union, is announced. A. B. Davis, the father of the bride is a well known rancher in this section and Miss Edna lived here when she was a child. The young couple went to Portland to spend their honeymoon and will be at home to their friends in Union after October 1.

Wallace Minnick died at Hot Lake on Monday, September 17. Mr. Minnick lived in this town for sometime and conducted a garage here. He was well known in this vicinity. He had been sick for a long time and death came as a relief from his suffering. He leaves a wife and other relatives to mourn his death.

Miss Jenny Ashby is teaching the Telocast school. Mrs. Fern Haller is engaged at Clover Creek and Clover Mercer is holding down the job as instructor at Wolfe Creek.

Orburn Saunders, who is well known in this section as an engineer has returned from the harvest fields at Walla Walla and is running a combine for Siegel Heard on Missouri Flat. Mr. Heard has 600 acres of grain to cut this season.

A man by the name of "Mexican Albert" is at the Baker hospital and is reported to be very sick. He was operated on sometime ago for appendicitis and now he seems worse off than ever.

Al Hutchinson is at Baker hospital taking treatment for stomach trouble. Mr. Neilson, of Union, was a business visitor on Thursday.

Threshing has begun on the Sunny-slope ranch. This is one of the large ranches in this section but the grain this year will be short owing to the fact that it was Spring grain and did not have much water for irrigation.

Charles Law has returned from a two months' harvest from the Walla Walla Country. He reports a light harvest for that country owing to the severe drought. However, the harvest was very good considering the dry weather. The young man thinks that we have as good country for grain as that, but in order to get as big a yield as they do we must change the mode of farming.

SAMSON TRACTORS

SAMSON SIEVE-GRIPS IN A CLASS BY THEMSELVES.
Original ideas developed through experience and necessity are embodied in Samson Sieve-Grip Tractors. You will find features there not thought of by others.
Recently we have secured letters patent on the method of connecting the air breather of a gas engine crank case to our patented NODUST-MOISTO-RIZER. This will be another exclusive feature in Samson Sieve-Grip Tractors, or otherwise an infringement if used by others.
The close connection of our management, being direct in touch with the actual operation, wants and requirements proving to be necessary in the small size farm tractor, we attribute largely to the success of the Samson Sieve-Grip.
It is our aim to manufacture a one hundred per cent efficiency tractor, sold at a right price, and give service that secures satisfied customers.
