ARCADE

GEO. BEBAN COOKS FLAPJACKS

George Beban, the celebrated Morosco-Pallas star who will be seen at the Arcade on Friday and Saturday in one of his famous Latin characterizations, "The Cook of Canyon Camp," is seen as the cook in a lumber camp in the Canadian woods, and his greatest culinary achievement is making "flapjacks." His ambition is to own the most beautiful "flapjack" restaurant in the world where men and women in evening clothes will perch on stools about his griddle and delight themselves with toothsome morsels, then in token of their appreciation make him many valuable presents. It is one of the most unusual and cleverly done bits ever seen on the screen.

STAR

DOROTHY DALTON STARS IN "THE FLAME OF THE YUKON"

"The Flame of the Yukon" is the name of the new special Triangle play starring Dorothy Dalton, which will be exhibited at the Star theater today and tomorrow. It was written by Monte M. Katterjohn and produced under the supervision of Thomas H. Ince.

Dorothy Dalton appears as a sort of

Dorothy Dalton in Triangle Play, "The Flame of the Yukon."

Alaskan Carmen, queen of the dance hall girls, known throughout the Yukon country as the "Flame." She is the trump card of Black Jack Hovey, proprietor of the Midas cafe, the most popular resort in the lively mining town. One night a stranger comes to the place, and instead of tricking him, as Black Jack orders, she finds herself interested in him and aids him to make his way on to the gold fields. The man's influence over her is for the good, and she decides to go straight, but the gang jeer and declare she will flame higher and fiercer than ever after her brief period of goodness.

Among those appearing in support of the star are Kenneth Harlan, Melbourne McDowell, Margaret Thompson, Carl Ullman and May Palmer. The production was directed by Charles Miller.

Never Bothered Since.

After suffering with terrible pains in his back and around his kidneys for eight years, and after having tried several doctors and different medicines, Alvis Souers, Ade, Ind., writes: "Foley Kidney Pills were recommended to me and the first bottle removed the pain. After taking three bottles the bloating was all gone and has never bothered me since." When relief can be had so quickly why not banish backache, rheumatic pains, stiff and swollen joints caused by disordered kidneys? Sold everywhere.—Adv.

This is the Stove Polish YOU Should Use

It's different from others because more care is taken in the making and the materials used are of higher grade.

Black Silk Stove Polish

Makes a brilliant, silky polish that does not rub off or dust off, and the shine lasts four times as long as ordinary stove polish. Used on sample stoves and sold by hardware and grocery dealers. All we ask is a trial. Use it on your cook stove, your parlor stove or your gas range. If you don't find it the best stove polish you ever used, your dealer is authorized to refund your money. Insist on Black Silk Stove Polish. Made in liquid or paste—see quality.

THE FLAME OF THE YUKON

SEVEN REELS

"There was a woman and she was wise; Woefully wise was she; She was old, so old, yet her years all told Were but a score and three; And she knew by heart, from finish to start, the Book of Iniquity."

"I wanted the gold and I sought it; I scrambled and mucked like a slave. Was it famine or scurvy —I fought it; I hurled my youth into a grave."

WE ASK YOU TO COMPARE **MODART CORSETS** Front Laced WITH ANY OTHER CORSETS

We ask you to compare for—quality. We ask you to compare for—lines. We ask you to compare for—workmanship.

And when you have given it a thorough, impartial test by wearing it—we will leave it to your judgment whether or not there is any other front laced corset in the Modart class. We chose to specialize on the Modart Front Laced Corset, to feature it in our advertising, to recommend it to our customers—only after a thorough study and search of the corset field. And only after we were convinced that no other front laced corsets compared with Modart in quality and fine fitting features, did we choose them.

Our expert, scientific corset fitting service always at your free disposal
