Knitters Attention!
The committee on knitting request that all finished articles be turned in not later than Tuesday. Mrs. Murphy will be at the hall Saturday afternoon to receive all garments finished up to that time. Bring in remnants of yarn so that others who lack may be supplied. Several garments are almost completed and your small ball may be just enough to finish some muffler or sweater.

Serbian Squares:
The contest closed on Tuesday. The winner of the first prize for collection, ten years of age or younger, was Ernie Lyman, who brought in 60 squares. Bertha Berger carried off the first prize in the class between ten and 15 years of age, bringing in 42 squares.

The whole lot is so pretty and varied that the committee decided to place them on exhibition in the hall in the Elks building Saturday afternoon.
