ENID BENNETT STARS IN
"THE MOTHER INSTINCT"

Enid Bennett will star in "The Mother Instinct," a new Triangle play by Maude Pettus and picturized by Lambert Hillyer, which will be shown at the Star Theatre.

Miss Bennett, who last appeared in "The Girl Glory," has the role of a

French peasant girl, the daughter of a fisherman on the coast of France. She goes to Paris and finds romance in the gayety of the Latin quarter.

Margery Wilson, who has appeared in leading roles of many Triangle productions and who has recently been elevated to stardom, appears as the sister of the star in this play.

Gertrude Claire, the sweet faced mother of the screen, is also of the cast that includes popular Jack Gilbert, the new Triangle leading man; Rowland Lee, Carl Ullman and Tod Burns.

The settings are of the magnificent

Triangle type. They include riotous carnival and cabaret scenes in Paris and the picturesque life in the fishing village. A company of forty artisans under the direction of M. Doner, art director, worked for two months constructing the little French hamlet where much of the action takes place. An imposing courtroom, a duplicate of one in Paris, is also utilized in the scene where Marie is brought to trial for murder.

HOW TO DESTROY CATARRH GERMS AND END CATARRH FOREVER

Catarrh, according to a noted authority, is a germ disease and the only way to cure it so it will stay cured and never come back is to kill and drive out of your system the catarrhal germs which have found lodgement there. When the germs go the catarrh will stop.

There is nothing better for destroying catarrh germs than breathing into your nose and lungs the pleasant, soothing, healing, germ destroying air of Hyomei (pronounced High-o-me) made from purest oil of Eucalyptus and combined with other powerful healing, antiseptic and germ destroying ingredients. Hyomei penetrates and heals the inflamed swollen membranes of your nose and throat, stops discharges, clears the passages and completely overcomes the disease by destroying its cause. For catarrh germs cannot live in your body after Hyomei reaches them. The La Grande Pharmacy, La Grande, and many other good druggists in La Grande and vicinity have long sold Hyomei on a positive guarantee of successful results or money back and find this generous policy pays.
