ARCADE

MARY PICKFORD AT THE ARCADE SUNDAY

Mary Pickford, undeniably the world's greatest screen star, will be seen at the Arcade Theatre Sunday only in the picture that is considered her best work, "Tess of the Storm Country."

The management of the Arcade has received so many requests to show this picture again and as the producer put out a new print of the picture it was secured for a one day's run here. It will probably be a wise move for those wishing to see this picture to arrange to come to the matinee and thus miss the night crowds.

"Tess" is so well known that it would be useless to go into a long description of the merits of the picture. Nearly all the cities have pronounced it Mary Pickford's greatest work. A well known and capable cast is in the picture, including Harold Lockwood.

STAR

Picture Filmed in Real Storm.

A terrific thunderstorm plays an important part in the development of the mystery story, "The Lair of the Wolf," a Butterfly picture which comes to the Star Theatre on Sunday and Monday. In order to make these scenes impressive, they were filmed in the midst of one of the severest storms which was ever experienced on the Pacific Coast. The intrepid cameraman stood in the road and made pictures of the lightning flashes, not flinching even when a tree very near him was struck. The actors who took part in this part of the picture were soaked to the skin, but of course as it was to add "realism" they were perfectly willing to go through with it.

MARSHAL JOFFRE'S MAIL HEAVIEST IN FRANCE

Paris, Sept. 15.—(By Mail).—The heaviest mail bag of any person of France is probably that of Marshal Joffre.

The Marshal is between two lines. He still receives an enormous number of letters from women and children in America who assure them of their admiration. On the other hand, French soldiers at the front, both officers and

"Little Mary" Tames a Bad Man

MARY PICKFORD AND BILL HART.

Never have the many thousands of William S. Hart admirers seen the screen's famous "bad man" in such a meek pose. And to think that among all persons "Little Mary" Pickford should be the one to thus humiliate him! "Bad Bill" is not particularly fond of ice cream. That's why Mary is compelling him to eat it at the point of one of his own famous guns just to prove that he is not as "wild and woolly" off the screen as he is in his Ince-Aircraft photographs.

poilus, keep up a running fire of correspondence with the Marshal on various subjects. Numerous secretaries carry out the Marshal's order that all letters must be answered.

All of Marshal Joffre's correspondence leaving the Ecole Militaire, where he has his office, is carried in French and International mails without postage. In lieu of stamps a small red seal—a circle in which are two crossed Marshal's batons with the words "Republique Francaise, Marshal Joffre" carries the mail of the Marshal anywhere in the world.

The Whole Neighborhood Knows.

Mrs. Ann Pelzer, 2526 Jefferson St., So. Omaha, Neb., writes: "I can recommend Foley's Honey and Tar as a sure cure for coughs and colds. It cured my daughter of a bad cold. My neighbor, Mrs. Benson, cured herself and her whole family with Foley's Honey and Tar, and everyone in our neighborhood speaks highly of it." This reliable family remedy masters croup. It clears the air passages and eases the gasping, strangling fight for breath.

We chose to specialize on the Modart Front Laced Corset, to feature it in our advertising, to recommend it to our customers—only after a thorough study and search of the corset field. And only after we were convinced that no other front laced corset compared with Modart in quality and fine fitting features, did we choose them.
