Star Theatre—Motion Pictures and Vaudeville.

Prompt Action Averts Trouble.

Sluggish bowels indirectly cause much sickness. A constipated condition not only poisons the blood stream, but quickly affects the liver and other organs, causing biliousness, sick headache, sour stomach, bloating, etc. Foley Cathartic Tablets are mild in action, yet cleanse thoroughly, with no nausea and no costive after effects. They keep the bowels regular, stomach sweet and liver active. Stout persons welcome the comfortable, light, free feeling they bring. Sold Everywhere.—Adv.

Classified ads solve your want problems.

These frosty nights should remind you that the "good old Summer time" will soon be gone, and it will be hard to get

The Daily Observer

Makes Clubbing Arrangement With

The Oregon Farmer

Offers Unusual Opportunity to Its Readers

AMONG our large circle of readers there are a great many who are interested directly or indirectly in fruit growing, dairying and other branches of farming. All of these naturally wish to keep in close touch with agricultural activities throughout the state; and to know about any fight which is being waged for the measures Oregon farmers want and against all sorts of schemes that are detrimental to the people and agricultural interests of this state.

We have, therefore, made a special clubbing arrangement with THE OREGON FARMER whereby any farmer or fruitgrower, who is one of our regular subscribers and who is not now a subscriber to THE OREGON FARMER, will be entitled to receive THE OREGON FARMER in combination with this paper at the same rate as for this paper alone.

This offer applies to all those who renew or extend their subscriptions as well as to all new subscribers. If you are interested directly or indirectly in Oregon agriculture, do not miss this unusual opportunity, but send your order in now.

THE OREGON FARMER is the one farm paper which is devoting itself exclusively to the farming activities and interests of Oregon. It has a big organization gathering the news of importance to farmers, dairymen, fruitgrowers, stockraisers and poultrymen; and it has the backbone to attack wrongful methods and combinations and bad legislation, and support honest leaders and beneficial measures. We are confident that our readers will congratulate us on our being able to make this splendid and attractive clubbing offer.
