Here's the most wonderful little machine ever invented for farmers. It combines two things—a rescuing device for your automobile and a machine that will do hundreds of lifting and pulling jobs on the farm, easily and quickly. It saves a world of back ache and is worth its weight in gold.

Pull-U-Out fits into the tool box of your auto, yet is so powerful that it will pull a 5000 lb. auto out of hub-deep mud without delay, expense, trouble or damage to car or clothes. Lifts 2000 lbs. dead weight; pulls 100,000 lbs. on wheels.

No motorist, however experienced and careful, should venture out, even on the best of roads, without Pull-U-Out, because accident come suddenly—without any warning. Trouble is lurking everywhere. You may get stuck in the mud, skid into a ditch or overturn. It is then that you will bless the day you bought a Pull-U-Out. With powerful, inexpensive little Pull-U-Out in your tool box you need never fear road conditions; you can go wherever your business or fancy leads you. If you meet with an accident you know that you have immediate and efficient help right at hand. Don't wait for an accident to make you wish you'd bought a Pull-U-Out—buy one today.

Does Wonders on the Farm

Wherever there's any heavy lifting or pulling to do, use Pull-U-Out. or loading and unloading wagons, scalding hogs, quartering beef, lifting wagon beds and hay racks on and off the running gear, stretching wire fences, loading baled hay, bales of cotton, sacked grain and other heavy things, Pull-U-Out is marvelous. It is light, portable and strong. Easily moved by one man from one place to another. Does lifting and pulling jobs that usually take from 3 to a dozen men.

Test it at our risk—Pull-U-Out is shipped and sold on the make-good basis. Interesting booklet—free. Tells all about Pull-U-Out, how and why it works.
