Red Cross Drug Store**The Whole Neighborhood Knows.**

Mrs. Ann Pelzer, 2526 Jefferson St., So. Omaha, Neb., writes: "I can recommend Foley's Honey and Tar as a sure cure for coughs and colds. It cured my daughter of a bad cold. My neighbor, Mrs. Benson, cured herself and her whole family with Foley's Honey and Tar, and everyone in our neighborhood speaks highly of it." This reliable family remedy masters croup. It clears the air passages and eases the gasping, strangling fight for breath.

Y. M. C. A. Directors Meet—The regular monthly meeting of the Y. M. C. A. Board of Directors was held yesterday afternoon at 5 o'clock with a good number of the directors in attendance. The regular routine of business was taken up and given consideration and considerable new business was given attention. Reports were read and all showed progress. The work of the local Y. M. C. A. is in splendid shape and all the directors feel that they have assumed a responsibility of trust that is worth while. The chief discussion was the annual financial campaign that will be held with in the next few weeks. The campaign is a necessity and past years have shown that there are a great number of people who believe that La Grande could not do without a Y. M. C. A. and have responded most liberally to the maintenance of the "Y." The matter was given to the finance committee to consider and after they gave the new budget some consideration, they will organize and conduct the campaign in regular Association procedure. Last year the people of La Grande gave toward the maintenance of the Y. M. C. A. in the form of subscriptions the sum of \$1800.00. The budget of last year totaled the sum of \$6300.00. A letter was read from Mr. and Mrs. F. D. Halsten, where they stated they desire to create an annual membership for some worthy ambitious boys as a memorial to the late Claude Halsten.

High School Lyceum course are meeting with excellent success in their canvass. The people feel that the five numbers offered for only \$1.50 for their entire course is exceptionally reasonable. Rev. Charles Edwards, former pastor of the M. E. church, made the statement before leaving, that when he heard Russell H. Conwell the last number on the course, it was necessary for him to pay \$4.00 and he urges that all the people of La Grande hear this great lecturer. All persons interested in this course that have not been seen by the solicitors, can reserve tickets by calling up the Y. M. C. A.

Y. M. C. A. Classes Begin Soon—On October 22 the physical department of the Y. M. C. A. will be under full head of steam—Mr. S. D. Crowe, chairman of this department, expects to have the work fully outlined by that time. Physical classes for the Juniors and Juveniles have already been started and beginning with Monday the 22nd all classes will begin for a six months' term. The prospects are excellent for every class with the possible exception of the Seniors; this class was well attended last year, but so many of the members have enlisted that it is quite doubtful whether it will be started this year.
