### Home Guard Will March In Parade

Monday evening will be an important date for the members of the La Grande Home Guard battalion. Major Coolidge has called out every member for the Liberty Loan parade, with orders to report to his company at 7 o'clock sharp. The parade that follows immediately afterwards will be participated in by the whole battalion. Immediately after the parade Company A will elect a first lieutenant to fill the vacancy caused by the resignation of Ben Decious. Mr. Decious found it impossible to give the office the required attention on account of his private business and the vacancy resulted. He was elected to the office at the time of the organization of the company.

Last evening the Home Guards were called to drill and to assembly with a new infantry bugle, recently purchased, and Musician Loney pronounced the instrument first-class after giving it its initial trial.

### RETIREMENT OF MICHAELIS EXPECTED SAY GERMAN NEWSPAPER EDITORIALS

Amsterdam, Oct. 13.—A remarkably frank German newspaper editorial indicates that the political crisis is expected to cause the retirement of Chancellor Michaelis. Newspapers vigorously demand that only highly experienced men be placed in leading positions. The Tageblatt bitterly condemned the long Reichstag period, declaring the press cannot accept such evidence of slackening.

### VICTORY IS CERTAIN SAYS VON TIRPITZ

GERMAN NAVAL OFFICER SAYS VICTORY IS CERTAIN

MUST HOLD POSITION BY POWER OF MIGHT

Declares England Wants to Negotiate Peace on Unfavorable Terms

Amsterdam, Oct. 13.—It is Germany's fatal hour. She cannot maintain her position as a world power against England if she is not based on the power of might, declared Admiral Von Tirpitz. He declared the final defeat of England is absolutely certain as long as submarines sink equalizers. He said that success could not be expected immediately, but victory was certain. He said England wants to negotiate peace now while her military position was comparatively favorable.

### SEVENTH GAME TO BE PLAYED IN NEW YORK

Chicago, Oct. 13.—The seventh game of the world series, if the seventh is necessary, will be played in New York.

Garry Herrmann flipped a coin, President Combskey of the Sox, called tails. The coin stopped spinning, the lady's head was on top.

### MARSHALL WILL BE ENTERTAINED BY LA GRANDE

CITIZENS WILL TAKE ADVANTAGE OF OPPORTUNITY TO MEET VICE-PRESIDENT.

FEW SMALL CITIES HAVE PRIVILEGE

Details of Elaborate Entertainment Will Be Announced Later; Will Lecture at Methodist Church.

Recognizing that smaller cities get the opportunity of entertaining a vice-president but once in a decade and even more seldom than that, a great program of preparation is now under way for fitting attention to Vice-President Thomas R. Marshall and his party when he arrives on a Lyceum lecture tour of a few Western States. La Grande will be one of the few inland communities to hear him. He will arrive on the evening of November 4th, coming from Boise, according to present plans, and will remain over until either Tuesday morning or the Monday midnight. He will deliver a lecture at the Methodist Church Monday evening.

The Methodist Church has posted a heavy guarantee with the Lyceum Bureau under which the vice-president is making the tour, and for that reason a charge will be made at the door; yet the entertainment to be given the second highest officeholder in the gift of the United States, will be given lavish entertainment. The details of these receptions are being worked out now and will be announced shortly.

### MILITARY TRAINING TOO MUCH FOR GOLDBERG.

Seattle, Wash., Oct. 13.—Millard Goldberg, of San Francisco, shot and killed himself in a hotel this morning. He left a note declaring that a week of Camp Lewis unbalanced his mind.

### Make Strong Efforts To Avert Strike

### MUD DOES NOT STOP AUSTRIAN ARMY'S ADVANCE

Beulah Headquarters, Oct. 13.—Austrian troops forced their way near Passchedau despite the mud. German counter attacks were easily repulsed, the assaulting enemy did not even reach the British lines. Elsewhere there were no German attacks. The fact that the Germans permitted the British to hold their new position undisturbed is considered especially significant. It rained almost continuously last night.

Make Home Here—L. Roy of Walla Walla is in La Grande. He will make his future home here.

### BIG MEETING IS SCHEDULED FOR MONDAY NIGHT

MILITARY PARADE WILL MARK BEGINNING OF STRENUOUS CAMPAIGN.

BIG SPEAKERS WILL URGE SUBSCRIPTION

Full Week of Meetings Arranged; Committee Will Commence Drive for Sale of Liberty Bonds.

Like a ship with its decks cleared for action and every gunner at his post, the general committee in charge, and patriotic citizens in general have bared their arms and cleared their throats to put La Grande and surrounding communities in the front ranks of Liberty Bond subscribers during the week beginning tomorrow. While the Liberty Week programs theoretically begin Monday morning, it will not be until 7 o'clock that evening when the first figurative salvos are fired in this city. Elaborate preparations have been made for that momentous event. From then on until the finish of the week stirring speeches will follow each other in quick succession; the splendid investment features of the Liberty Bonds will be exploited and propounded; the patriotic duty of every wage earner and businessman to invest in Government bonds to carry on the war will be impressed and emphasized; working along plans generally outlined by state and Government committees and officials, the local arrangement committee will keep up a continuous bombardment of words, speeches and newspaper appeals that should quicken the pulse of the most dilatory, if such there be. Parade and Music First.

General Chairman Fred J. Holmes, G. L. Larson, A. L. Richardson, J. G. Snodgrass, A. T. Hill, E. E. Bragg and William Miller met last evening to go over the arrangements for the first night of the week's drive for Liberty Bonds. As the hour draws near, it becomes apparent that a display of patriotism seldom seen will mark the first day of the week's push. Push it will be, for everywhere and always there are those who must be driven to realization of their duty—but, once there, are true to their American instincts of loyalty, though they may have been dormant for a time. About 7 o'clock Monday evening the parade will move to the Methodist Church where the speaking will take place.

Four Units to Attend. Military air will be lent to the occasion. After the band will come four units of military and quasi-military nature.

Company L, of the 162d regiment, U. S. N. G., 81st brigade, 41st division, now stationed here, will be the leading unit in the parade; the La Grande Home Guard, Major Coolidge commanding, will be in line with Company A, Captain Nelson, and Company C, Captain Peare. As a detached branch of the Home Guard will appear a Cadet Corps of 80 youths from the High School, Commandant Fullerton in command.

But this parade of soldiery and guard will not be the entire line. Citizens too is appealed to and will be asked to march behind the soldiery. Hundreds after hundreds should swing down the main avenues of the city.

Line of March Prepared. The line of march for the parade will be from the Y. M. C. A. down Washington to Greenwood, west on Adams to Fourth, south on Fourth to the Methodist Church and disband. The Home Guard battalion and Cadet Corps will form as one battalion in column of squads on Sixth street, head resting on Washington street, and occupying the east side of the street; the Honor Guard girls will form in column of squads on the west side of Sixth street, head resting on Washington head resting on Sixth, with Company L immediately behind. The citizen division will form on Elm, head
